Every chapter of this book leaves you burning inside and on your knees in prayer. Ablaze for God is an appropriate title. I will be reading it many times over. Wesley Duewel certainly knows how to fan the flame. The spirituality that he presents here is what we need desperately, and what I want to embody more than anything. If I could only have the Bible and one other book the rest of my life, it would be this book. READ

IT!!!

**MUST READ - IF YOU ARE A LEADER - YOU MUST BE A READER**

By Michael M

ABLAZE FOR GOD by Wesley L. Duewel is excellent! I read one chapter every morning to start my morning devotion (before I begin my personal prayer and study in the Lord). This is very difficult because I want to continue reading. ABLAZE FOR GOD is insightful and God's mighty hand is on this brother. Each chapter (short powerful preaching) is filled with the character of the Holy Ghost. There is no way anyone can read this and not be changed. There is no way in heaven or earth that after reading even one page of ABLAZE FOR GOD, that you do not jump up and down and cry out to Jehovah hallelujah. I love Jesus, I love God, I love the Holy Ghost. You will be changed! You will be inspired. Brother Duewel uses very few words to convey what God has put in his soul. Not one word is wasted. You will high light every word, every verb, and every noun. You will read, and re-read with renewed thirst for the God of my salvation. You will run to you children screaming about what you read last. You will quote chapter and verse and those who know you will know that you spent time with the Almighty. The chapters on "YOUR PRAYER" pages 211 to 247 will convict, encourage, and inspire your prayer time. HE [The Holy Ghost] will increase, as you decrease. Pray and read, pray and read, GET FAT off of ABLAZE FOR GOD! Leaders, please READ! Leasers, please read, if you desire to lead your ministry, to God! \*\*\*I highly recommend ABLAZE FOR GOD.\*\*\*

**The Best of the Best**

By Amazon Customer

If you have seen any of my other reviews you will realize that Wesley L. Duewel is one of my favorite authors on the subject of the ministry of the Holy Spirit within the life of the Christian. Of all of Duewel's books, I like this one the best. Of all of the sections of this book, I like his discussion of power the best. His sketches of the ministry of the Holy Spirit within the lives of John Wesley, Charles G. Finney, and Duncan Campbell have inspired me in my faith journey as few other books ever have.
