# Last Warning to Apostle Paul

Femi Oluyamoju

## LAST WARNING TO APOSTLE PAUL.

Bible story series

Femi Oluyamoju

Can you imagine the audacity, the impudence, the impertinence, the insolence of that recent convert called Apostle Paul to boldly write in his letters that he corrected our daddy in the Lord. Senior Apostle Peter. The rock of the church.

Imagine, he didn't only have the effrontery to correct our daddy in the presence of other disciples, he had the bioluminescence to write it in a public letter. In his letter to the Galatians part 2 subsection 11-14

Where was that Paul when our daddy in the Lord, senior Apostle Peter, was walking with our Lord Jesus Christ in the cities of Galilee.

Where was that Paul when our father, Apostle Peter was specially selected by Jesus onto the Mount of transfiguration.

Did that Paul know that our daddy once walked on water and among all human beings on earth our anointed papa Peter is the only person who walked on water aside Jesus.

Can you tell that disrespectful and discourteous Paul that he was still in the world as a murderer when our super daddy ate dinner with Jesus and among the twelve disciples, our special father Peter was the only one that Jesus prayed for.

Oh, because this tiny Paul is a trouble maker lawyer, he feels he can write letters, where was he when the daddy of our generation, the only man who cut off the ear of a roman soldier and nothing happen to him, when he preached one sermon and five thousand gave their lives to Jesus.

Did that childish Paul know that a couple that lied to our daddy Peter the Apostle of fire, died on the spot.

If you know that Paul, warn him. He is playing with fire.

Didn't he read in the scrolls that you should not touch the anointed of God?

Oh, because that Paul now sees small visions, he wants to correct those that have been walking with the Lord for years... Didn't he know there is hierarchy in the things of God?

Did he think that God cannot speak to His special servant, Apostle Peter?

Even if God wants to speak to our beloved father, Apostle Peter, God will use people like Apostle John or James. Not a recent convert like Paul.

Even if he wants to correct our daddy, must he write it in a general letter? Isn't he afraid of anointing? Doesn't he know he is dragging the church in the presence of unbelievers?

If you know Apostle Paul, warn him seriously. May he not get leprosy like Gehazi or die like Judas.

Jesus told us that Apostle Paul is our general overseer, he must be given respect for the office. Even if he makes mistake, just pray for him, don't write about it or discuss about it.

This is the very last warning to that boorish, coarse, crass, ignorant, philistine, rude, uncouth, unspirituallylettered, unpolished, unrefined, vulgar Paul. The next time he corrects our most revered father in the Lord, we would deal with him.

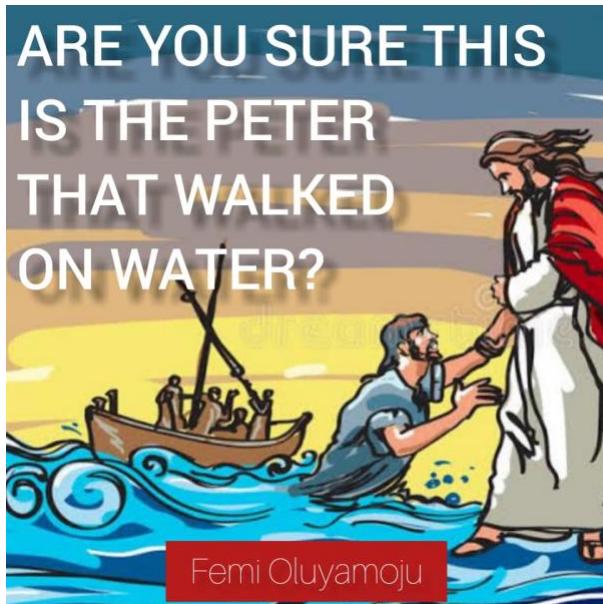

Tell him, because of what he said about our daddy, I have unfriended him and blocked him.

.....

This is exactly how this generation of church goers sound when you correct their beloved daddy and papas.

If you are one of them, repent

God bless you

## **ARE YOU SURE THIS IS THE PETER THAT WALKED ON WATER?**

Bible Story Series

Femi Oluyamoju

Dear Amosh,

I am writing this letter to you after painfully studying that disciple of Jesus called Peter.

I can't find any traces of the stories we heard about him walking on water as was wildly circulated among the followers of Jesus.

Did you remember when the angel visited the pool of Bethesda, despite the fact that the temple prophets had nothing to do with the miracle, they were very pompous and everybody knew that one healing had happened in the temple.

But this Peter remains very humble and he continues to follow diligently after his master Jesus. He shows no sign of being the one who walked on water.

We expect that after such a great miracle, he would have changed his walking style and even changed his dress style.

We sent reporters to him so they can find out his side of the story, he only replied that Jesus walked on water. He didn't talk about himself. Actually our reporters spent 3 hours with him and all he spoke about was Jesus.

We also expected that such a man who had walked upon waters would have opened his own ministries. We suggested a new ministry called "Peter walked on water ministries". But he didn't even give us time to discuss it, he ran after Jesus.

As a former member of the Guild of Galilee Fishermen, we invited him for a special award, we added his name to our hall of fame and we

wanted him to come for the award ceremony, but this Peter ignored us and only went wherever Jesus went.

Finally, we got the best artist and testimony writers in town to assist this Peter in putting his testimony in the Jerusalem Post newspaper. We even volunteered to pay the fees for the publication, but this Peter was only interested in advertising Jesus.

This Peter doesn't look like a person who walked on waters.

He is too simple, not loud and too focused on Jesus.

Please is this Peter the Peter or should we look for another?

.....

Are you suddenly pompous because Jesus performed a miracle through you?

Please repent.

A true disciple of Jesus never brags about any miracle that God performs through them.

You must always remember that you can't do anything without Jesus.

God bless you.

# **MOURNING THE SUDDEN DEATH OF OUR PROSPERITY APOSTLE JUDAS ISCARIOT.**

Femi Oluyamoju

**MOURNING THE SUDDEN DEATH OF OUR  
PROSPERITY APOSTLE JUDAS ISCARIOT.**

**Bible Story Series**

**Femi Oluyamoju**

It's was a very sorrowful day for us when we heard the news about the sudden death of our mentor, prosperity Apostle Judas Iscariot.

He was a very strong teacher of the word and was part of the twelve disciples of Jesus that cast out demons and performed healing.

Many of those who heard about him missed out the many good things about him.

He wasn't polygamous and he didn't have girl friends. He wasn't a murderer or backbiter. He wasn't violent like some other disciples neither did he cut off people's ear like one other disciple.

He was a gentle disciple. He was not loud, that's why you won't read so much about his exploits.

His only weakness was that he loved money and loved to have the good things of life. He actually accepted Jesus so that he could use the Jesus as access to prosperity.

He wasn't ritualistic or into voodoo. He has made up his mind to use the access he had to Jesus to make money.

He was a visionary man, while the other disciples were content with not having land, our motivational Apostle already had a plan to buy a land.

He always told us that once you have access to Jesus, you have access to prosperity, all you need to do was be smart with the name of Jesus.

He taught us that we must make use of every opportunity that comes our way. While other disciples were interested only in kingdom matters, our prosperity Apostle took charge of the account because his target was to become rich using Jesus.

Our smart Apostle also taught us how to help ourselves when Jesus seems too slow to meet our needs. He really wasn't a armed robber because he didn't force anyone to bring money into the purse, he only helped himself with the money from the purse without telling anyone. He usually tells us that the wealth of the gentiles belongs to us and we are to take it by force without seeking the permission of Jesus. He told us to use our anointing to make money.

He set up a process that ensures people sow seeds before they meet Jesus, this wasn't with the consent of Jesus but when it involves money matters he told us to do what we want and not follow Jesus's teachings to the letter.

Please don't mind that lady that took her alabaster box directly to Jesus, she refused to follow the process set up by our prosperity Apostle so that we could help her sell the oil and thus we have enough money to spend without informing Jesus.

He also set up many ways of raising money in the name of Jesus, he taught us to study those who had money so we can convert them to our partners. This was how he got in contact with those who paid him for sell Jesus for 30 pieces of silver.

Our smart Apostle was very good at deceiving the other Apostles that he was using the money for the poor, yet he was actually using the money to live large.

Our prosperity Apostle was a friend of those that Jesus refused to befriend. How would he have had access to the high and mighty if he preached exactly the same message that Jesus preached?

No! Our Apostle preaches nice motivational messages that doesn't offend the political class and the synagogue leaders. His friendship with the right people brought about enough money to buy a land.

Our prosperity Apostle teaches us that the source of the money wasn't as important as spending the money for God. The land he bought, though gotten from a shady deal was supposed to be used to serve the gospel purposes because he didn't retire from being a disciple. He would have continued following Jesus even after developing the land. The land would have been called the land of Judas the disciple of Jesus.

His plan wasn't to kill Jesus, Jesus was too great and powerful to be killed so our Apostle only wanted to use Jesus for a fast deal. He would kiss Jesus, the soldiers would come but Jesus would disappear. How was he to know that Jesus would be crucified the next day.

We thought Jesus was in support of his prosperity plans because Jesus didn't complain, we never knew that the little love of money will lead our wonderful Apostle to eternal death.

We never knew that the very land he purchased with his access to Jesus will be the place of a painful end.

We never knew that one could be very close to Jesus and the love for mammon would still kill the person.

.....

If your coming to Jesus was because of what you can get, you are a modern day Judas.

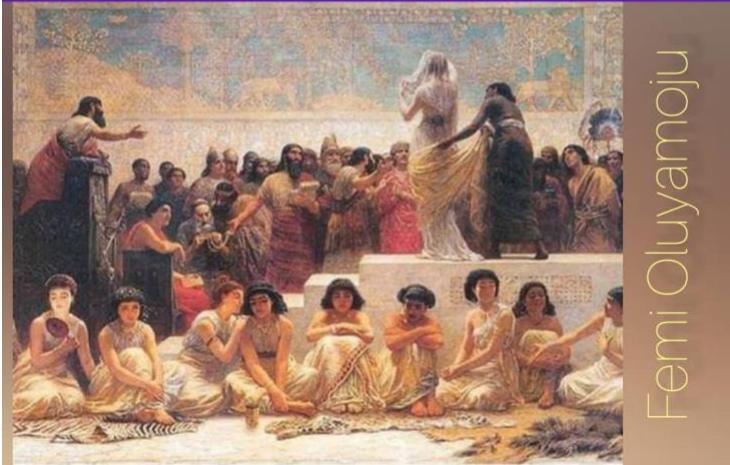

If your ministry isn't following Jesus teaching on how to treat money then its a Judas ministry.

That little love of money can lead to disastrous ending

Repent today.

God bless you

# MINUTES OF THE EMERGENCY MEETING OF THE SEDUCTIVE DAUGHTERS OF GALILEE AFTER JESUS CRUCIFIXION

Femi Oluyamoju

## MINUTES OF THE EMERGENCY MEETING OF THE SEDUCTIVE DAUGHTERS OF GALILEE AFTER JESUS CRUCIFIXION.

Bible Story Series

Femi Oluyamoju

Chairlady: My fellow seductive daughters of Galilee, I know you all have heard the news, the most eligible bachelor of our time as been killed on the cross by our fathers.

There was a loud wailing and crying amongst the ladies. One could feel their agony.

After few minutes the chair person spoke again.

Chairlady: I understand your pains and the loss but we can't have a meeting just to cry, let's open the discussions.

Secretary: I was there when they nailed him naked to the cross, he was a fine man but all his flesh was torn, blood was gushing out of his head, skin and mouth. (John 19)

Lady 1 interjected: but I learnt he took all those beating to save us from death and to grant us eternal life.

Chairlady: Please and please, we are not here to speak religion, we are here to mourn our loss because one of us could have been his wife. We were really hoping that one of us will become Mrs Jesus.

Lady 1: but I heard him tell his disciples that he only came to save the lost and he never for once mentioned getting married, how can you all fall in love sexually with a man who isn't interested in marriage, can't you see that.....

Chairlady: Will you keep quiet. If you don't watch your tongue, we would chase you out of this meeting ooo.

Temple prostitute: My own contribution to this discussion is this, I used to hope that Jesus would even come to the prostitution corner of the temple so that we can seduce him, but Jesus was too focused on the things of heaven.

He never came to our side but his messages affected our business. I for one always run away whenever he visits the temple because if you sit in his teachings, you will not be able to go back into prostitution.

It was one of the reasons the temple authority hated him. The tithe from our prostitution business reduced whenever Jesus visited the temple

Priest daughter: My sister that's not the main reason they hated him, its because he prefer to acknowledge God of heaven alone. He never gave the priests the type of worship they wanted. Honestly I hate my father. I should have become Mrs Jesus because I am the daughter of the priest but my father always fights me when I go to listen to Jesus truth. He prefer I follow doctrine alone

Lady 2: Don't waste your tears, Jesus won't even let you get very close to him. He surrounded himself with men. You can't have a private counselling with Jesus as a lady. (Luke 6:17) (Matthew 15:23)

Even I heard that the lady with the alabaster box couldn't see him in private, she did all she did in the presence of many others. (Matthew 26:6-13)

What I hate most is that, even in the sitting arrangement, you can't sit next to Jesus, his disciples will always sit very close to him. (Mark 8:34)

Lady 3: Yes, you are right, the best many of us could do was to touch the hem of his garment. (Mark 5:28)

Lady 2: We couldn't even seduce Jesus with our clothing, the men around him will not allow such dresses around Jesus.

Lady 3: Even the men around Jesus must dress well, I heard that Jesus doesn't allow naked men around his camp. You know that Peter likes fishing almost naked but with Jesus he must cover up. If men must cover up around Jesus, what do you expect from we ladies. We couldn't seduce him. (John 21:17)

Temple Prostitutes: What are you ladies saying... If we can't seduce him, how can you seduce him. That Jesus doesn't joke around with any form of rubbish. He is a religious fanatic always working to please his heavenly father.

Chairlady: Where did you get that huge scar from?

Temple prostitute: The day Jesus came into the temple unannounced with the whip, he was whipping those selling in the temple, I ran like

crazy, because we were there too trying to woo costumers. If Jesus could beat those selling that much, what will he do to those of us that had converted the temple to a sexual place. I ran blindly and fell into the ditch outside the temple. That was the last day I entered the temple. (John 2:15)

Rich lady: But chairlady where are some of our executives.

Secretary: They said they want to follow Jesus too, they are now part of Jesus followers so they left our group.

Rich lady: OK. But I heard that Judas Iscariot is dead too.

Chairlady: Yes oo

Rich lady : He better be dead, that scammer. I paid that useless man so that I can have a meeting with Jesus but he couldn't organise it. Jesus refused to be influenced by money, Jesus only said that he wanted those who loved his father in heaven. My money couldn't win that Jesus at all. (Matthew 12:50)

Chairlady: Now that this Jesus has been killed, all our hopes to marry him has failed. What of his disciples.

Lady 1: They are all like Jesus. They aren't interested in dating or premarital sex. They are so obedient to that Jesus. You can't seduce them. They will only marry whoever Jesus specifically tells them to marry.

Lady 2: Stop sounding negative and discouraging us, if we can't get Jesus, we should be able to get his disciples, we must marry too now.

Lady 1: The only way you can marry a true disciple of Jesus is to become a disciple of Jesus yourself.

If you find any follower of that Jesus who doesn't put in place proper controls and restraints as regards relationship with the opposite sex, such a person is like Judas. They are just following with their mouth but not with their heart.

Temple prostitute: Then we would simply seduce them then

Lady 1: How can you seduce them when they won't even allow you come into their midst if you are not properly dressed. If Jesus won't accept the nakedness of Peter, a fellow man, he definitely won't accept the nakedness of a female.

Chairlady: Now that their Jesus has gone, they may not have enough crowd so they will soon start begging us to come to their meetings, by that time we would go as we like, half naked and seductive.

Lady 1: Did you hear that that Jesus once preached and over 5,000 people left him. He wasn't moved, he even asked his disciples if they want to leave also. The true disciples of Jesus are not going to lower their standards so as to gain crowd. That's what Jesus taught them. (John 6:66) (Acts 5:1-11)

Secretary: So what are we going to do, we need godly men to seduce and marry.

Rich lady: I will simply go to their meetings and pay heavy tithe and offerings.

Lady 1: The true disciples of Jesus aren't interested in money, they don't lay emphasis on tithe and offering because Jesus didn't teach them to lay emphasis on that, they will tell you to give all you have to Jesus, are you ready to let go all you have just to gain heaven? (Luke 9:23)

Rich lady: No! Never!!!

Chairlady: So what do we do now

Lady 1: Stop trying to seduce them, let's join the followers of Jesus. Let's become true disciples

Chairlady: Never!!!

Others: We want to follow Jesus too, we are tired of this unfruitful seduction. (Ephesians 5:11)

Chairlady: I, as the leader says never!!

Others : Then we quit this useless group. (2nd Chorintians 6:17)

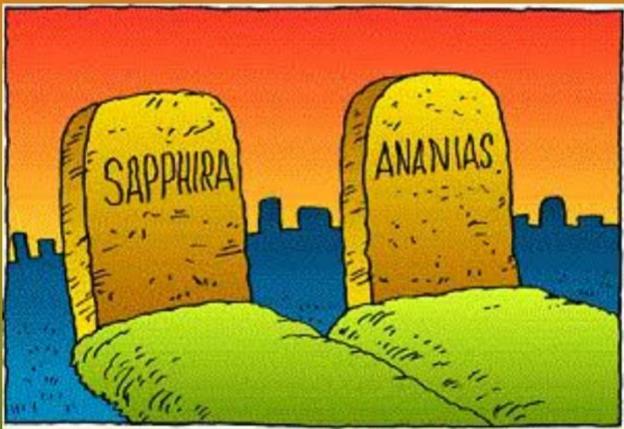

This was the last day the group ever held a meeting.

Till this day, this fictional group based on the lifestyle of Jesus and the disciples, never met again.

I guess you have gotten clues from the discussions

God bless you

BEFORE APOSTLE PETER  
KILL ME TOO.  
I MOVE

Femi Oluyamoju

## **BEFORE APOSTLE PETER KILL ME TOO. I MOVE**

Bible Story Series

Femi Oluyamoju

Dear dairy,

I am writing today to note that I will no longer go to the fellowship headed by that fiery Apostle Peter.

Our neighbours Ananias and Sapphira died many months ago inside the office of that Apostle. They didn't commit murder, they didn't destroy anyone. All they did was try to deceive the apostle. (Acts 5:1-11)

How can I go to a fellowship where we cannot deceive the leader. That's why I love the leaders in the synagogue, they are as blind as a bat. They cannot see beyond their nose. No matter what you do in secret, you can deceive them with activities and they will love you.

Our neighbours took a whole 50% of the value of their lands to Peter and they still died. I heard that the Apostle told them that God told him that what He wanted from the couple is 100% and not 50%.

That's why I love our synagogue, if I give our leaders 50%, they will celebrate me with a title. They are so deaf to God that they don't hear anything about anyone. All I needed to do was ensure that I bring in the regular tithe and offering and they will be very glad.

The last time one of our synagogue leaders prophesied that I would die if I don't bring more money, I negotiated with him and the money was reduced. Their own god can be negotiated with but this Apostle Peter's God didn't negotiate with Ananias and Sapphira before killing them.

Honestly I can't go to a fellowship where the leader can hear about my spiritual short falls. In the synagogue, the only things they claim to hear are nice prophecies. The priest were always trying to prophecy so that we can sow more seeds but that Apostle Peter will tell you what God says and many times those words hurt my flesh.

This Apostle Peter is usually called assistant Jesus. He teaches like Jesus, he is very tough on sin and iniquity. Ordinary lies killed my neighbours but I prefer the synagogue leaders, they are very understanding, they motivate us with songs of David and sweet scroll passages. They call sin errors and as long as we contribute towards the growth of the synagogue, we are good to go.

Another thing I hate about that Apostle Peter is that, you can't show off your riches in their fellowship. Everyone has everything in common. They don't even recognize those of us who are wealthy. If I give all I have to help the poor, how will I shine? I prefer our synagogue, they still teach us about wealth of David and Solomon. The wealthier you are the more honoured you will be. (Acts 2:44)

I wanted to carry my title to Apostle Peter's fellowship but they refused. They told us that we are all equal before God. Imagine, when the apostle is called by name, how will I the follower get a title. I prefer our synagogue, there are different levels of titles. Even in the market place, you will be given special respect because of your title.

Hmmmm

I know very well that the fellowship of Apostle Peter is following the teachings of Jesus to the letter and they really take care of the poor and the widow but the synagogue style makes it easy for me to be myself and I enjoy the services the way I love to. All I needed to do was respect the leaders, join in the work, pay tithe and offering.

We can dance the dance steps of Baal or be seductive as daughters of Jezebel, as long as we bring in sacrifices, our leaders are happy.

The synagogue listens to the members and they introduce new things to make us happy. We now have commerce in our centres. We spend so much to take care of our worship centres because a beautiful temple will make us happy. We expect even the poor to keep contributing.  
(Luke 21:5, Matthew 21:12, Luke 21:4)

But in Apostle Peter's fellowship, they don't listen to the members, they listen to Jesus and everyone is expected to follow Jesus. They don't even have a fantastic auditorium, they are using houses of members. They don't take from the poor, rather they give to help all the poor.

Hmmmm

Now I'm confused.

I think I will go back to Apostle Peter's fellowship. I think it's better to go through the hard bitter way than to go through the easy path.

If truly I want to follow Jesus, then I must submit myself to the places where I would be hurt with the truth but it will lead me to heaven.

I don't think this synagogue leaders have my heavenly home as their focus. They keep doing the things Jesus warned them not to do.

But at the same time I don't want to mistakenly die in the office of Apostle Peter.

Apostle Peter's God cannot be bribed with tithe or offering, not even 50%

The last time someone tried to bribe him, the matter ended very badly. (Acts 8:20)

Ahhhh

Maybe I should look for Apostle Paul but the issue with that one is that, once he start teaching, he won't leave you until you change and follow Jesus. I might end up spending months with him.

How is Paul even different from Apostle Peter, if I go to Paul, he will teach me till I become a crazy evangelist. Maybe the next story my family will get is that the Jews had beaten Paul and I to death..

Who knows if he is still in town or he has gone on another missionary trip.

Hmmmm

This Christianity is not easy ooo.

Dairy, let me quickly stop writing, Apostle Peter's fellowship will start within 30 minutes, let me go back. I want to make heaven

Good bye

# BE WARNED!!! APOSTLE PAUL NOW TEARS CLOTHS

Femi Oluyamoju

BE WARNED!!! APOSTLE PAUL NOW TEARS CLOTHS

Bible Story Series

Femi Oluyamoju

Dear faithful brethren of Rome

I bring your greetings from those of us at Lystra and Derbe, cities of Lycaonia.

I know you are eager to confirm if the strange behaviour you heard about was true, well, I can boldly confirm the rumours, yes! Our beloved brother Paul, a very fervent apostle actually tore his cloths.

I would love to use this letter to warn you of the things that might happen if you treat bro Paul the Apostle more than you aught to have treated him.

## FIRST

Bro Paul, the apostle will never allow you to give him the same treatment you would have given our Lord and Master, Jesus. He constantly says that if any wants to give honour to Jesus, give it directly to Jesus and not through bro Paul. If you try to treat bro Paul like Jesus, he might resort to tearing his cloths.

I overheard bro Peter, the apostle, telling the fellowship leaders that he won't allow himself to be crucified like Jesus, he prefers to be crucified upsidedown.

These followers of Jesus will never allow you to give them the same treatment you would have given Jesus. Please be warned.

## SECONDLY

You are not to print the images of bro Paul anywhere, either in your house or in the meeting places. You are not to sell any handkerchief or towel with the picture of bro Paul. You are free to reprint the letters of bro Paul but you cannot treat his letters as equal to or above the instructions of our Lord, Jesus. The only person bro Paul wants you all to worship is Jesus. If you do any of these things, don't be taken aback when bro Paul tears his cloths.

### THIRDLY

I have heard that some of you are planning to put your cloths on the floor for bro Paul the apostle when he comes visiting, please don't try it.

I learnt you are even planning an orchestra with little children waving at our Apostle at the city entrance, I also heard you had organised a big chariot with flower girls to welcome the apostle. Please this will make the apostle run away tearing his cloths.

The only grand welcome bro Paul is interested in, is the grand welcome when he dies and sees the Lord Jesus.

He is never interested in premature celebration.

Bro Paul will never allow you to treat him like Jesus was treated while entering Jerusalem before his crucifixion.

We know there are many disciples in your city but bro Paul the Apostle will prefer you to use that energy in serving Jesus than on a mere mortal like him.

### FOURTHLY

I heard that some of you had started calling bro Paul by the name "daddy Paul" to celebrate and respect the God in his life. Please this could send our beloved brother into tearing up his cloths.

Have you read his letters, did he ever addressed himself as the father of the congregation? Did he ever introduce himself as such? Have you ever read a letter where he said "I, Apostle Paul, your father in the Lord?"

In his letter about the slave turned brother, bro Philemon and to young bro Timothy, he simply used a figure of speech. "Father & son" to denote a relationship. He never arrogated the official title of Spiritual father to himself, he never introduced it as a new doctrine.

Please, even the original Apostles who walked with Jesus when Jesus was on earth were never regarded as such neither did they seek such official titles.

Please kindly address bro Paul as bro Paul the Apostle, any grand title might lead to his cloths being torn by himself.

## FIFTHLY

I was reliably informed that some of you want to touch the hem of the garment of bro Paul, you want to sit on the chairs he sat on for miracles, you want to cast lots for his cloths while many of you are waiting for the visit of the apostle with handkerchiefs and anointing oil.

This will definitely break the heart of bro Paul the apostle.

What is then the benefit of his labours over your life to introduce you to Jesus.

Why have you decided to remain babies acting foolishly like untrained children.

Why did bro Paul labour so much to introduce you to Jesus, the real miracle worker. If bro Paul had remained a baby in Christ, waiting for Anointing oil from Apostle Peter, will he fulfill his own personal ministry as ordained by God?

Why did bro Paul write passionately to you, it's so that you can grow in Christ and stop being dependent on men. The same Jesus that bro Paul met is the same Jesus introduced to you.

When do you want to grow?

Have you ever read anywhere that the disciples of Jesus were scrambling with the crowd for miracles?

Bro Paul will gladly accept such from unbelievers but if you, who had been in the fellowship for over a year, still behave like unbelievers, then your leaders needs to be questioned. What have they been teaching you.

Please, your lack of growth and dependence on the Anointing of bro Paul the apostle will break his heart. It will send him into tears and I'm sure he won't spare your leaders.

LASTLY

I heard that some of you have started praying in the name of the God of bro Paul. Where did you get that from?

Did we introduce another Christianity to you? Did we fail in teaching you how to pray?

Is the simple name of Jesus no longer enough?

Did bro Paul the Apostle teach you to do that?

Who taught you such doctrine? Who led you into such error?

Where did our Lord Jesus teach us so?

Have you created a new traditional Christianity?

At this point, if bro Paul hears of this, before he attempts to tear his cloths, he would have fainted.

Please make urgent corrections. Go back to study about the instructions of our Lord Jesus. Those are the instructions that guides both Apostles Peter and Paul. Let that be your guide too

The day of our Lord Jesus, the rapture, might come any time, let it not meet you in error.

Your Brother in Christ

The Lycaonian

Acts 14:1-14

# Please Avoid Nicodemus

Femi Oluyamoju

PLEASE AVOID NICODEMUS

Bible Story Series

Femi Oluyamoju

Have you noticed that our high chief teacher in the synagogue is beginning to change. I'm talking about Nicodemus.

You know he was trained in the ways of the synagogue and he succeeded above his peers, he was very diligent in obeying the laws of Moses and was loyal to the chief Priest, that's why he became a teacher.

But of recent, I can see some changes in his life, I hope it's not what I'm thinking.... That he has also become a follower of that Jesus.

Let me give you some instances

### FIRST

He is no longer proud and arrogant. You know, we the synagogue leaders like to dress in big robes carrying our phylacteries, and enlarging the borders of our garments.

You know in the school of ministerial ethics, we were told that as a man of God, you must carry yourself as if you are too special.

Nicodemus is now very simple, approachable and humble even in his dressing. He no longer brags on the altar. Matthew 23:5

### SECOND

Do you notice that Nicodemus no longer desires to sit on high special chairs in the synagogue? Even when we go for ceremonies, Nicodemus is satisfied sitting with common men and women.

How can a leader in the synagogue not be recognized by their special fine chairs on the altar? If you ever meet a leader who is satisfied sitting with members, you would note that such as had an encounter with Jesus. Same goes for Nicodemus. Matthew 23:6

### THREE

Can you imagine, I was passing by the market place and I heard ordinary people calling him by his name, Mr Nicodemus. Arrant nonsense. We all know they call him Rabbi, Teacher, most high

reverend, prophet of the season, our choice leader and all the other names we have given ourselves over the years. Those who aren't interested in titles are those who follow that Jesus. I am suspecting Nicodemus. Matthew 23:7-8

## FOUR

I heard Nicodemus had stopped calling our chief Priest father. He also stopped everyone from referring to him as their father in the lord. Isn't this the teaching of that Jesus? The true followers of that Jesus are the rebels of our religious ways. That Jesus told them that God is their only Spiritual father. Can you see that our old Nicodemus is really acting like a follower of Jesus. Matthew 23:9-10

## FIVE

Nicodemus no longer joins us in oppressing the members. You know, we are the temple lords, everyone must tremble at our words, members must kneel when they see us, no one can sit down until we have sat down. He suddenly became humble and acts like a servant instead of the lord. This is exactly how that Jesus behaves, that Jesus is so humble. Don't you see correlation between the new behaviour of Nicodemus and that Jesus? Matthew 23:11-12

## SIX

Do you know that Nicodemus is no more teaching "the seven laws of power", "the power of sowing", "21 keys to Prosperity", "overtaking your enemies", "the mystery of grace" and all the other juicy sermons that makes the congregation very happy. Nicodemus is now teachings

"how to obey God", "Holiness", "righteousness" etc. Doesn't that sound like the teachings of that Jesus? Isn't it the same way that Jesus always talks against sin and iniquity. When Nicodemus preaches now, we feel so uncomfortable, the youth had reported him that he is taking the holiness issues too serious. He has become confrontational with sin. This is exactly how the true followers of Jesus are.

The last straw that broke the camel's back is the new way Nicodemus treats money. You know we used to organise many programs just to make money, we even do special prayers for the widows and we would still collect offering. We always make our members feel they will suffer if they don't give us money and we use our grace to make money. Nicodemus doesn't join us again. He isn't interested in making money with the congregation. Matthew 23:14

These and many more are the reasons I can swear that Nicodemus is following that Jesus. You know there are some people that claim to follow Jesus but we can't see the teachings of Jesus in their lives, Nicodemus isn't one of such.

I have not caught him red handed with Jesus but I can swear by the gold on the altar that the lifestyle, ministry style and behaviour of Nicodemus is exactly the instruction of Jesus.

Lest I forget, Nicodemus doesn't swear again. He usually curse anyone that annoys him on the altar but he has changed, he hardly get angry. Matthew 23:16, Matthew 18:21-22

Please avoid Nicodemus. He is now a Jesus freak.

## Can we make Jesus President?

Femi Oluyamoju

## For Stomach infrastructure

JESUS FOR PRESIDENT: STOMACH INFRASTRUCTURE

Bible Story Series

Femi Oluyamoju

Within 24 hours, that miracle worker called Jesus, dashed all our selfish hopes.

It all actually went down like this:

We actually followed Him because we saw Him performing miracles. He was opening the eyes of the blind and healing the sick.

We didn't know when we left the town and got to the outskirts. We had started panicking when the disciples of that Jesus told us to sit down in groups.

He gave us bread and fish. Where it came from we never knew, but we all ate till we were satisfied. I mean over 5,000 men not counting women and children.

Then the politicians among us gathered and reasoned that, if this Jesus can give us bread in the outskirts of the town, what will he give us if he becomes the king or president?

Honestly, within few minutes the idea spread amongst all of us. Some even sent words to their villagers to come the next day so they too can eat delicious food.

We were already hoping that the next day might come with some delicious fruit wine just like he did at that marriage.

We selected some representatives to inform the disciples of Jesus, our intention to make him king. King of stomach infrastructure.

But Jesus left us and crossed with his disciples to the other side. He wasn't interested.

Unfortunately, we were totally unprepared for the next day. We all got into boats looking for him again.

When we met with him, instead of giving us fresh bread and fish, He was teaching us very bitter messages.

He told us that the bread for today was to eat his flesh and drink his blood.

What!!!!!!

You mean we should become Jesus freaks?

He expected that after our first miracle with him, we were to now go deeper into Discipleship. Deeper and painful instructions.

Can you imagine, he was no more giving us the stomach infrastructure we were interested in, rather he was teaching very difficult messages.

We all turned back and went home. Very disappointed.

Jesus wanted us to grow but we want to remain babies.

My neighbours had not forgiven me, they had poured out their entire kitchen and carried extra dishes along to meet Jesus, they hoped to get extra portions from Jesus that day but Jesus disappointed all of us.

I think Jesus is more interested in heaven infrastructure than any other infrastructure.

I think Jesus is more interested in feeding us with his life rather than giving us things that would expire.

I think Jesus is more satisfied with a few disciples than a great crowd looking for what they can gain.

Please when next you are inviting people to come to meet Jesus, stop deceiving them that they can fulfil their stomach infrastructure through Jesus rather tell them the truth, Jesus wants them to take the bitter truth and difficult instructions so they can have access to heaven infrastructure.

Jesus wants disciples not members of the crowd.

I heard that the few disciples who waited despite the tough discipleship process are doing great and mighty things in the name of Jesus. I heard that even Satan fell from heaven because of these disciples.

As for me, I have gone back to my old ways, running from one crusade to another and from one pastor to another. Looking for stomach infrastructure, looking for miracles, depending on fellow human beings before I can hear from God.

I am not the only one who turned back, we were actually a crowd that turned back. Who knows if the person reading this my letter is also one of us who gets angry at the bitter truth of Jesus but only interested in the sweet things Jesus can offer.

If truly you are not afraid of the bitter truth of Jesus, then you are part of the few that has decided to stand out of the crowd no matter the cost.

Chasing after human gods is more costly than following Jesus at the long run but what can I do, I am part of the crowd

As for me, I heard the crowd is now following a new prophet, I heard when he slaps you, you get miracles.

Off I go to get scammed and slapped

Your friend in the crowd

Brother Luvfud Bellyfull

John chapter 6

# HEALING, HEALING HEALING

Femi Oluyamoju

HEALING! HEALING!! HEALING!!!

Bible Story Series

Femi Oluyamoju

Just as a woman who touched the hem of the garment of Jesus 2000 years ago got her healing, in 2019 a sister's menstruation had seized for months without any hope of having a baby, when she came in contact with Jesus, her flow resumed and she's now with her baby.

Just as Jesus opened the eyes of the blind 2000 years ago, someone a few months ago heard the word of God and threw her glasses away and she began to see clearly.

Just as Jesus healed serious sicknesses 2000 years ago, a sister had just been diagnosed with cancer and the day she met Jesus, Jesus directed her to go back for tests and cancer disappeared.

Just as Jesus healed various diseases 2000 years ago, a sister needed money for new kidneys but as she came in contact with Jesus, she got two brand new kidneys.

Just as Jesus raised the dead 2000 years ago, a brother had visitors and one of them died in his house. He called upon the name of Jesus and the dead visitor came back to life.

Just as Jesus lived above sicknesses 2000, a brother who was always admitted in the hospital twice every year trusted God for healing after he met Jesus and since 2015, he hasn't used any drugs for any sickness.

Just as Jesus promised that poison won't kill us, a brother mistakenly drank poison then called on Jesus, it didn't do him harm.

Just as Jesus saved a boy that was to be buried 2000 years ago, a brother had an head on collision accident. It was ghastly. Doctors were waiting to write the death certificate, then this brothers wife met with Jesus and Jesus not only restored the brother, every prediction of the doctors were cancelled.

Please note that these healing and miracles were not because of any man, those who had these miracles came in contact with Jesus who died for our sins over 2000 years ago. I stand as a witness to every of these encounters with Jesus.

Today, Jesus wants to have an encounter with you.

This season your own testimony is about to be added to this list.

You don't need to go through any human before Jesus meets with you and heal you.

Right where you are, Jesus is willing to touch you and add your own testimonies to this list.

Simply pray this little prayer

Jesus, I surrender my life, my soul and my body totally to you. I know the way you have healed 2000 years ago is still the same way you heal today. I receive my healing within 3 days in Jesus name. Amen

Congratulations, your healing will be fully manifested between now and three days.

Please wait for your own healing to be fully manifested then add your own name and testimonies to these testimonies and then share with others.

Congratulations on your healing

God bless you

MADAM MARY!!! WARN YOUR SON

Bible Story Series

Femi Oluyamoju

Greetings, Mrs Mary Joseph

How is your husband's carpenter business. Hope all is well.

The reason we are writing to you is because of your son Jesus.

We have been in ministry for so long and as you know we encourage youngsters in Nazareth to become priests, Pharisees and even aspire to become sahendrines.

We were very glad that your son, your first born, Jesus, had always been serious about God. We even celebrated him when he was performing some miracles but things are getting out of hands. His own fanaticism is too much.

Your son came by the temple and started reading the parts of the Scrolls that belongs only to the priests. How dare he, who anointed him? Just to inform you, that is the last time we would give him Scrolls to read. We wanted to honour him as a son but we regret and reject him. Luke 4:17-22

Our most revered father, the priest and general overseer of the synagogue, the choice prophet of this age isn't the mate of your husband, Mr Joseph, the father of that your son Jesus. Your son has not been born when our papa became a priest in this land.

How can your son ever think that he can speak against such a successful man and his well established synagogue.

Your son didn't even come to speak with the leadership secretly, he was talking very loudly in front of common men.

This is shameful, disgraceful, deplorable, despicable, contemptible and dishonourable.

He even called the temple leadership brood of vipers. He used the word "woe" countless of times. Matthew 23:33

What have we done that no one had done before?

Are we the first or the only establishment in this world? Why didn't he face the government? Why does he always call the synagogue his father's house?

Are we the first to get rich using the contributions of our members?  
Matthew 23:14

Are we the first who refused to teach our members the truth but just keep them busy in church? Matthew 23:13

Are we the first to carry ourselves as if we are little gods? Matthew 23:6

Are we the first to give ourselves long titles? Matthew 23:7

Are we the first to blow our own trumpets wherever we want to give to the poor? Matthew 6:4

Are we the first to curse people using our altar? Matthew 23:16

Are we the first to lay too much emphasis on tithes Matthew 23:23

Are we the first to be more interested in quantity rather than quality?  
Matthew 23:27

Are we the first with various scandals?

If we would end up in hell because we disobeyed God, how does that concern him?

Our members aren't complaining so why is Jesus taking the issue seriously?

Why won't he face the people he came to teach?

Listen, warn that your son Jesus, he should leave us alone.

We are set in our ways, we have made up our minds never to obey Jesus.

We might use his name to perform miracles, we are ready to act religious, we are ready to act spiritual but we would never obey your son, Jesus.

We would persecute everyone who comes in his name. We would even go as far as murder anyone he sends to us.

We heard that your son told us that on the last day, many would be chased away for not obeying him, we are not afraid. We have chosen the instructions we want to obey and the instructions we want to ignore. Matthew 7:21-24

Any instruction that needs us to be poor in spirit, mourn or become meek, we reject.

If we can't find sweet instructions from Jesus, we would go to the old testament and pick the ones that favour us.

The crowd that follows us love it like that. We give them good music, prosperity messages and anointed toys.

You will be surprised that many of the crowd that follows that Jesus would return back to the old synagogue ways shortly.

Please warn that your son.

First Addendum

We were still planning on sending this letter to you when your son came into the temple with a whip, he scattered all our businesses. We

lost so much business because your son broke the table of the money changers and set free some animals.

What was he thinking?

This is temple disrespect. This letter serves as our decision.

There are only two options available. Follow your Jesus 100% or crucify Him and destroy anyone who follow after his footsteps.

We are too proud and too big to follow Jesus, it won't help our status so we choose the latter.

We have crucified Jesus already in our hearts wait till we actualised it.

Yours sincerely

Synagogue Apologist

\*\*\*\*\*

For everyone who met Jesus but refused to obey him, such crucifies Jesus again with their lifestyle. Hebrews 6:6

Jesus will never accept any excuse for 90% Obedience, Jesus isn't going to ask you for your denominational Obedience, Jesus is going to ask you if you obeyed his instructions 100%

Stop giving excuses and start obeying Jesus today.

If you don't know what to obey, pick your Bible and read Matthew, Mark, Luke and John

God bless you

# PREPARING FOR JUDAS'S FOURTH YEAR ANNIVERSARY

Femi Oluyamoju

PREPARING FOR JUDAS'S FOURTH YEAR ANNIVERSARY

Bible Story Series

Femi Oluyamoju

I hope this note meats you well.

We are pleased to let you know that we are about to celebrate the 4th year anniversary of our beloved son's faithful walk with the Lord Jesus.

We from the Iscariot family were neglected before in all the histories of Israel. The enemies never knew that our son will one day be selected as a member of the inner caucus of our Lord and saviour, Jesus.

Our town and village that was no where on the map of the city is now a place of attraction. Our little house is now of religious importance.

Haven't you heard that our son also went out with the other disciples of Jesus and he banished demons. He performed miracles with the name of Jesus.

Our son isn't just an ordinary disciple, he is the CFO, the treasurer of the ministry of Jesus.

We shall be painting the town red with celebration.

Our son, Judas as promised to release funds even to assist youths in our town during this celebration.

The celebration will hold on a land our son proposed to buy within the next few months in our community.

The Jerusalem herald has added our son's name to the list of the 50 most influential persons in Jerusalem.

Please get ready to roll out the drums, our wonderful son will be 4 years with Jesus in few months time.

## ADDITION AFTER ONE MONTH

Please the celebration has been cancelled. Unfortunately our son fell short of the teachings of Jesus and had committed suicide on the priced plot of land that was intended for our celebration.

\*\*\*\*\*

No matter how long we have spent in our walk with Jesus on earth, any celebration is premature.

Every celebration is a distraction. Jesus had warned in the book of Mathew chapter 7 verse 21 that many would have been celebrated on earth but He won't recognise them in heaven.

Please read in below in the message translation.

Matthew 7:22 I can see it now - at the Final Judgment thousands strutting up to me and saying, 'Master, we preached the Message, we bashed the demons, our God-sponsored projects had everyone talking.'

Matthew 7:23 And do you know what I am going to say? 'You missed the boat. All you did was use me to make yourselves important. You don't impress me one bit. You're out of here.'

Please note that there is a greater celebration that starts as soon as you close your eyes in death if you die in full 100% obedience with Jesus.

Run away from those who hail you, remain focused on the celebration with the saints in the kingdom of God.

No matter the accolades you are given in earth, the only thing that would matter is if your name is in the book of life.

The early Apostles never celebrated anniversaries, they were pressing towards their highest calling in Christ and eagerly waiting to get the crown of life.

They were busy for the master even till their dying days.

Suspend all premature celebration on earth, the real celebration in heaven will last forever and ever.

Those that currently stands should take heed lest they fall.

Heaven remains our undivided focus. I know this is hard sayings but those who love the Lord would receive it.

God bless you.

## THE KIND OF JESUS THIS GENERATION WANTS

## HE KIND OF JESUS THIS GENERATION WANTS

Part One

Bible Story Series

Femi Oluyamoju

### PUT ON YOUR IMAGINATION CAP

Don't forget this short Story is trying to paint Jesus doing the opposite of what He did on earth. This might assist the reader to understand how much Jesus sacrificed to have the kind of simple ministry that Jesus had.

### JESUS HORSES

Because Jesus had the access to finances both on earth and from the father in heaven, Jesus could have bought a few horses.

One to go ahead of the disciples to clear the crowd and announce the coming of Jesus.

Two horses for the chariot of Jesus. On the chariot it will be written, JESUS MOBILE MINISTRY. The chariot of Jesus would be exactly the same with the Roman political leaders. A golden chariot with purple linens. A chariot that even business owners can't easily afford. Jesus could tell the crowd, I serve the living God, my father is wealthy.

With this chariot, Jesus would proof to the leaders of the world that the kingdom of God is a successful Kingdom.

Each of the disciples will have at least one horse each so they can follow Jesus. Once a while, to shut up those complaining, Jesus will send new horses to the families of the disciples just to prove that serving God is profitable.

### JESUS HORSE FARMS

Due to the very strenuous ministerial schedule of Jesus, Jesus would need to employ a horse manager to look after the horses, a horse doctor to take care of the health of the horses, Jesus might be so busy that he can't lay hands on Horses.

To ensure that Jesus doesn't waste money buying horses regularly, Jesus would get a land with His connection and build a small horse farm.

In the farm, horses will be reared, so that from the farms, Jesus ministry will be well taken care of with new horses.

The farms will have another farm to produce the feeds of the horses. We would need the manager for that farm and workers.

We would need a pressing factory of the standard of those days but better than the one of Gideon in the book of judges.

When the farms becomes successful. We would need to have a sales manager to help in selling excess capacity of farm produce and horses that Jesus doesn't need.

The farm will have its market stall in the key markets. The farm will have a staff to negotiate with local farmers and tax authorities. Jesus would have to employ those who would ensure the farm money is well accounted for. Jesus will also have to put in disciplinary actions for those who keep stealing from His farm because He can't be everywhere at the same time.

## JESUS SHIPPING LINES

Jesus moves from one part of the town to another, preaching. The Lord needed to travel by boat many times.

Jesus could buy one boat for his ministry to ensure that there is no time wasting. The boat will be at Jesus's beck and call. The boat will be designed specially for Jesus. It will be called JESUS WATER PRIVATE JET.

Jesus would have to employ a supervisor for the boat with two staff to man the boat.

The days Jesus needed to be on land. We might need to lend the boat to those who don't have a boat but who needed to travel short distances. Of course they'll pay.

We would need accountants to ensure the income is well accounted for.

#### JESUS VIP MINISTRATION

Since Jesus was always disturbed by the crowd, Jesus would send his disciples to the poor and host a special healing program for the wealthy in the society.

To raise money for the poor, Jesus would charge an honorarium for the rich.

Now let's stop this imagination. This is definitely not the Jesus we have read about.

This Jesus would have failed in His ministry. This Jesus would have been busy with scandals. This kind of Jesus won't have been crucified.

This is not the Jesus we know, this is not the example that Jesus gave to us.

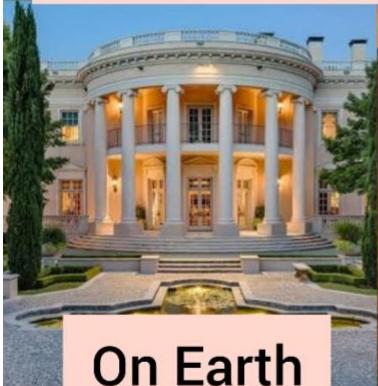

Don't complicate your walk with God and don't let men confuse you with their own doctrine.

Study Jesus and become like Jesus

God bless you

Culled from the book "A STRANGE CHRISTIANITY by bro Femi Oluyamoju"

# THE EXTREMELY POOR BILLIONAIRE

On Earth

In Heaven

Femi Oluyamoju

## THE EXTREMELY POOR BILLIONAIRE

Bible Story Series

Femi Oluyamoju

This man was one of the highly celebrated farmers in the land. In terms of the harvest in his farms, he was one of the billionaire farmers in Galilee.

Many youths of Galilee travel from far and near just to visit his farm to work or just to get inspired.

He was close to the synagogue leadership, why won't he? He was a Jew and naturally born into Judaism, the practice of the laws of Moses. He

pays his tithe regularly and whenever the Pharisees pays him a visit, he rewards them handsomely.

While other companies were recording at most 35% growth rate, this our graced farmer was recording 100% growth in business.

It was just few years ago that many of the store houses were constructed but now they are too small to contain the harvest.

After a very successful stock taking and end of year audit, he was really happy.

He always told his friends, "Yahweh has blessed me and I can never be poor again in my life"

That evening he had a meeting with the contractors, we are going to break down the old store houses and erect a bigger one.

The new warehouse is going to be state of the art, it must have the latest vents and double doors like the reigning designs in Egypt.

Money is not the problem, Yahweh has blessed us.

After this next huge project, I will relax and enjoy what the Lord has provided.

My soul shall make merry, my neighbors shall rejoice with me. We would even do a big ceremony to launch the new projects.

As he laid down to sleep that night, he was thinking..... Finally, I am made. I am now a big boy, my hustle as paid off.

Unknown to him, a meeting was going on over his matter that night. Death has come to ask for the permission to kill him.

The heavenly Father waited for the verdict of Jesus who is the intercessor by the right hand of the Father.

But Jesus replied, The man is of no use to us. He is a billionaire on earth but he has next to nothing in heaven.

We granted him access to wealth so that he can help us. We surrounded him with the poor so that when he helps the poor he is actually helping me, Jesus.

But all he ever thought about was himself. When he gives or help the few around him, her dies it to make himself look good. He is a billionaire on earth but of no use to heaven.

The father then gave the final verdict... His soul shall be required of him this night. Since he is poor in heaven, his case shall be like the other rich man and Lazarus.

This will also be the ending for everyone who is rich on earth but not sending their riches to heaven. This will be the ending to everyone who is poor towards God.

This rich farmer, died in his sleep.

He didn't take one grain of corn into the grave.

\*\*\*\*\*

Many are like this man who Jesus used in his parable.

We are focusing too much on our life on earth, we are not investing in our life after death.

You might not be a billionaire, but the little you have can be spent wisely rather than trying to satisfy societal insatiable appetite.

No matter the number of clothings you have, you can't wear more than one at once else you will be termed a lunatic.

No matter how big your house is, you can't sleep in two rooms at the same time.

No matter how many cars you drive, you can't be in two cars at the same time.

No matter how expensive the food you eat is, it must come out as a smelly excretion.

No matter how secured your riches are, you won't take one penny into the grave.

So what in this world is great enough to make you miss heaven.

The one sure way of sending your resources to heaven as taught by Jesus is by giving to the poor.

If you are giving to a ministry, then that ministry must be very committed to sending such contributions to the poor.

In a case where your donations only add to the wealth of a man of God living a lush lifestyle, such won't get to the poor and might not get to heaven.

If your donations are used to finance a very bogus church budget or expended on signature auditoriums; buildings that when completed, the poor cannot use it for accommodation, rather those bogus buildings are useless for most days except during services. Such donations haven't met the key requirements of Jesus to help the poor and needy. Such donations, though rewarded on earth, might not be recognized in heaven.

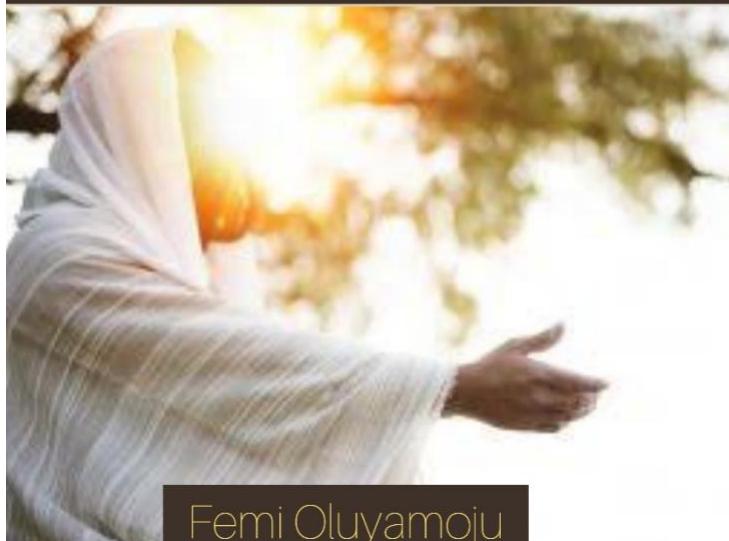

Some church leaders also fall into the category of the rich farmer, as God blesses them they want to pull down the normal auditorium and build expensive new ones just to show class and wealth. Such is rich on earth but poor towards God.

Heaven will not accept anyone who is poor towards God,. Amend your ways today

God bless you

Luke 12:16-21

# STOP PROUDING!!! WE HAVE SAME REWARDS

Femi Oluyamoju

STOP PROUDING!!! WE HAVE SAME REWARDS

Bible Story Series

Femi Oluyamoju

Jesus went out early in the morning, by noon and afternoon to call labourers into his farm called the ministry.

Below is the conversation made by one of the men who Jesus called in the morning. Let's call his name Mr 1960.

Mr 1960 feels like the self appointed class captain because he had been in the farm long before many others.

He has many people following him and obeying his instructions. They call him father, daddy even Papa.

But a new crop of workers just came in and Mr 1960 was very angry that they didn't recognise him as they should.

He shouted at them; Hey you guys!

We are not your mate ooo, you must respect your elders in ministry. I'm not talking about the normal respect, I'm talking about ministerial respect.

I'm talking to those young men that came into this ministry work some few minutes ago.

Can't you see that we have been in ministry all these while?

Jesus saw us early and called us early into his farm.

You have to call us your fathers. You met us in ministry.

Do you know how much work we have done for Jesus, do you know how much ground we have covered? If we haven't gotten here earlier than you, you would have met snakes here.

You must call us Papa or fathers. We are not your mates.

Just as He was shouting Jesus came in with the rewards. They weren't expecting Jesus.

Jesus looked at the very young ones that came in few minutes ago and Jesus met some of them working and obeying his commandments on the farm. Jesus gave each of them, 1 reward.

Jesus also met those who came in few hours ago, few of them were still working and obeying His instructions so Jesus also gave each of them 1 reward.

Then Jesus met the ones that He called very early, a few of them were still working and following His instructions. Jesus gave them 1 reward.

They murmured, how can we be collecting same reward as the ones that just came.

Jesus smiled and responded, "what I promised is what I gave you. I have the same reward for everyone that obeys me."

Then Jesus turned to Mr 1960, who made you lord over my workers, you have converted yourself to what I never called you to do.

You have changed my instructions and many now follow you instead of following me. Your instructions negates my instructions.

Here is my judgment, despite the fact that I made you the first, I hereby make you the last, both you and those who followed you.

I cast you into outer darkness....

\*\*\*\*\*

First, can I beseech you leaders in the church, stop making yourself what God never made you.

Stop lifting yourself to a position Jesus never gave you.

You are an ordinary servant of God's people not an assistant God.

Jesus never gave you those titles, those adjectives, those names. It's coming from your selfish desires for honour.

Jesus never told you to become daddy or father or mother of his children. Your pride gave you that title.

Your refusal to be humble "according to Bible standard for humility and not earthly standards" only makes you a disobedient worker.

Don't waste your time on earth and loose heaven. Repent urgently

Secondly, brethren, don't let anyone bamboozle you into feeling inferior. Don't let anyone scare you with anointing. Don't let anyone tell you that in heaven you will live inside their own houses, don't let anyone push you into error of human worship.

We are all accountable to Jesus. We all have access to Jesus and Jesus is willing to deal with everyone of us.

You don't need to go through another human before you get to Jesus, Jesus says ANYONE who believes in Him will become His son and daughter.

Jesus never said someone will be your first father then He will become your grandfather or second father.

Finally on the day of judgment, Jesus will ask you if you obey Jesus.

Stop wasting time trying to please man, pick up your Bible and start obeying and pleasing Jesus.

Last last, all of us that obey Jesus 100% will have the same reward.

If God gives you the assignment to win 5 souls and you win 5 souls, you get 100% reward.

If God gives another the assignment to win 5,000 souls and that person does it, that person too gets 100% reward. Same reward as the one with 5 souls assignment.

It's on earth that you measure quantity in heaven they measure Obedience.

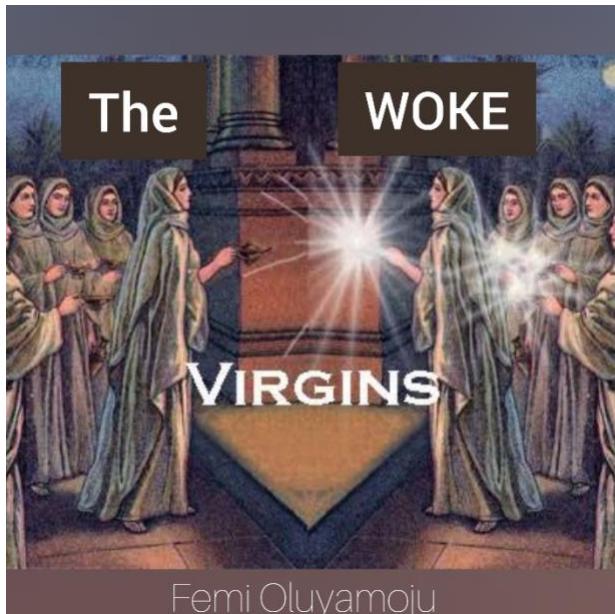

It's on earth that success is measured by size, in heaven success is measured by Obedience.

So don't let another person's assignment make you feel small or big. Face the work that God as giving you.

In heaven there are no titles, no fathers or mothers, no old or young. All of us will be the same.

What are you waiting for? Start obeying Jesus today

God bless you

## THE FIVE WOKE VIRGINS

Bible Story Series

Femi Oluyamoju

On their way to meet the bridegroom, the following conversation took place between 5 discipled virgins and 5 contemporary virgins.

DV stands for discipled virgins.

CV stands for contemporary virgins

DV Babes let's go quickly, we need to get to the venue early so that we don't miss the bridegroom

CV: Take it easy love, I hear the bridegroom is a powerful prince, he will understand that as babes we need to spend time to look good.

DV: Ahhhh that's not what our pastor told us, our pastor said the Prince is a principled bridegroom, He doesn't condone nonsense. He expects us to be timely and obey all His palace rules.

CV: Abeg, don't start again. Your Pastor is so boring. Your Pastor always paints the Prince as a tough guy. I heard that the Prince gave his life just to marry us. Such a guy can't hurt a fly. He loves us too much to leave us.

DV: That is not what our pastor told us. He said the Prince has a very high standard and that we should be very careful. That we have become His virgin doesn't mean He will marry us at the end.

CV: Laughs, that your pastor is just a sadist. He doesn't want you to enjoy your life. He wants to give you extra burden to carry. Our pastor always told us that he that the Prince has set free, is free indeed and forever. I don't need to carry extra loads.

DV: I agree with you in principle but we were free from prostitution and made virgins but we are not free from the instructions of our Prince. We must behave worthy of this Prince.

CV: is that why you are carrying extra oil?

DV: Yes. Our pastor says we must always carry extra oil because we don't know when the Prince will come.

CV: Your pastor and you people are mad. How can we carry lamp with one hand and still carry oil on the other hand. Which hand will we use to enjoy life. Carrying things on both hands reduces your freedom. I can't give up my freedom because of a Prince. I was told the Prince is great, He will provide oil for us.

DV: No, that's not what we were told, He wants us to carry our oil. Our virginity is our Salvation and the Obedience to Jesus laws is our lamp and.....

CV: Yes, we too met with the Prince and we became virgins and we have laws that we obey. Our pastor gave us our denominational doctrines that we follow. We are not bad people. That we didn't carry oil doesn't mean we aren't going to follow the Prince.

DV: But the oil is a lifestyle led by the Holy Spirit. It's essential for the journey. The oil is living all the instructions of the Prince. It's a lifestyle born out of the fruit of the Holy Spirit. You need to carry the oil. Our pastor said...

CV: Please don't get me angry before I slap you. Why do you guys like making others look as if they aren't virgins too. FYI we are all going to

see the Prince. Stop this holier than thou attitude. We might have different approaches but all of us will see the Prince.

DV: You see what I'm talking about? You are getting angry, you curse and abuse. You are able to do all these because you are not carrying extra oil. If your other hand is busy, you won't be able to carry iniquities with you.

CV: Please come off it. What I have is Holy anger and righteous covetousness. Our pastor said in this world we would be rich and use our wealth to oppress those who mocked us. All I need to do is to simply obey my pastors, pay tithe, sow seeds, do everything my G.O and father in the lord says. I can do that with one hand and with the other hand, I enjoy my life. I don't need extra oil.

DV: But we were taken into Discipleship, that's where we bought the extra oil. We were shown and taught the extra oil starting from Matthew chapter 5. We were told to live exactly like the Prince. This extra oil is very necessary. I beg of you, quickly go into Discipleship so you can get the oil too.

CV: I laugh in Spanish. You are old school virgins. When I have Anointing oil of papa and anointed handkerchief of daddy, that will help me. I have the picture of our daddy under my dress. I pay money to various fathers. That is enough for the Prince to show me mercy. Listen, I have attended Discipleship school, seminary school, Bible college,

international conferences and I have over 15 certificates. I am doing well.

DV: But all these are not the instructions of the Prince, he didn't send you into these things. You are only being religious. What He instructed was the we simply obey Him and His instructions are written in Matthew, Mark, Luke and John. Obeying those instructions will help you carry extra oil.

CV: Don't bother preaching to me, my spiritual father, the super virgin is more successful than you, he is the class captain of one of the biggest Virgin denomination in the world and he cannot be wrong.

DV: Please I beg of you. Take extra oil. From what we were taught, no one without oil can make it.

CV: Please stop it. I am even sure that those of us without oil will make it before you.

DV: I will be praying for you

CV: Please pray for yourself. Listen things have changed. This is not 1900. This is information age. Virgins too must enjoy life.

DV: Ahhhh

CV: Yes, I don't need to carry the oil in my hand physically. I am carrying the oil in my heart.

DV: Hmmmm, I prefer to follow every instructions in by the Prince.

CV: Can't you see that the number of virgins still carrying oil has reduced? Things have changed. That's one of the secret of our denomination. We discovered that people prefer to carry the oil in the heart than in their hands, so we change our doctrines and today, see how successful we are. You better join us.

DV: God forbids.

CV: Listen, if you keep carrying that oil, you won't be very wealthy, you will lose opportunities, you won't be trendy and life will just pass you by.

DV: Thank you, I am satisfied with whatever the Prince provides. Please for the last time get the oil.

CV: leave me alone. Mercy will speak for me.

MANY THINGS HAPPENED ALONG THE WAY AND LIFE CONTINUED UNTIL SUDDENLY THE PRINCE ARRIVED WITH THE SOUND OF THE TRUMPET:

ANNOUNCEMENT: Everyone please come forward if you are a virgin with lamp and your extra oil.

CV: Ahhh Prince, I am a senior virgin. I sow into your kingdom, I performed miracles, I worked wonders, our auditorium was the best in our area, I even brought plenty virgins to you.

PRINCE: I can't find the extra oil with you, you are thoughtless, all you did was make yourself popular, you even took my position and became spiritual father, you used your altar to promote yourself, your pictures are everywhere, you used my name to make money, you converted my house to "pay as you go". Get out of here.

DV: My Lord, here is my lamp and my extra oil.

PRINCE: Enter into my bosom. Angels lock the door

CV: Ahhhh, I want to obey the Prince, I want to let go my desires and serve Him, I want to stop human worship and follow the Prince. I want to become a disciple. I want to follow the ancient path, I am ready to submit my all just to please the Prince. Please I am ready to start afresh.

ANGELS: It's too late. We have locked the gates.

HELL: ANNOUNCEMENT: All those prostitutes, harlots and those proud, woke, lettered but disobedient virgins, the gate of hell is open. You may proceed to hell in your billions.

\*\*\*\*\*

I pray that God will touch your heart to get the extra oil today.

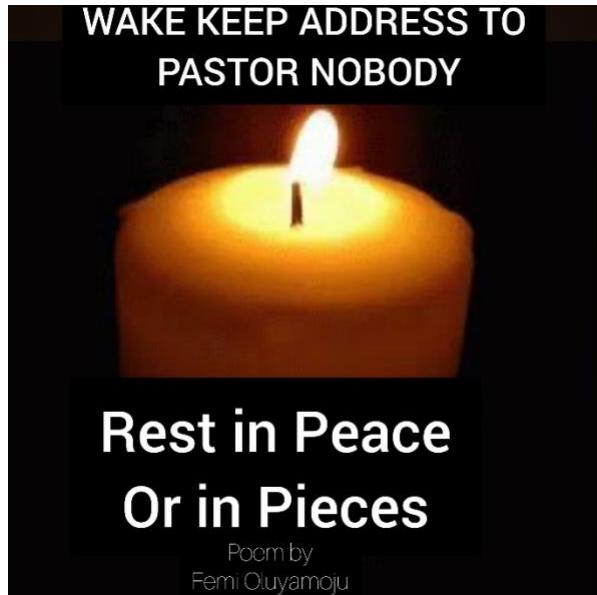

May you not join the woke Christians and if you are already one, may God bring you out.

Come out from among them and be different says the Lord.

I am coming for persons without spot or wrinkle says the Lord.

God bless you

Matthew 25:1-13

WAKE KEEP ADDRESS TO PASTOR NOBODY

Simple Poem Series

Femi Oluyamoju

The Great pastor nobody is dead

And just like everyone here

I have a few words to say

Not about his past but his future

Though his time on earth as ended

His time in eternity is just beginning

Though he just died on earth

His time in eternity knows no end

He won't be asked how big his church is  
But he will be asked how truthful his messages were

He won't be asked how much he is worth  
But how many poor lives he touched

He won't be asked how beautiful his wife is  
He would be asked if he loved her exactly like Christ instructed

He won't be asked how close he was to his earthly spiritual father  
He would be asked his relationship with God the father

He won't be asked how much his house is worth  
He would be asked how many homeless he helped

Many things we chase on earth are valueless and they will expire.  
They even begin to expire before we close our eyes in death

His car now belongs to someone else  
His secret bank account makes the bank richer

The church must move on

If some church members had pressured him to please them rather than God, they won't follow him to judgment

The well kept body has started the process of decay

The gold wrist watches useless to him

The same worms that kept him alive now eats his flesh

If he had not taken care of his soul, he will be facing the repercussions alone

Those that cheered him will soon forget him

If the wife is young, she will soon start praying for another partner

In few months time traces of his life will become past

But any sin that he died with will send him forever to hell

They will sing songs at his wake keep

Good virtues of his open life will be sung

Even enemies will say good about him

But the enemies of his soul will present his secret Life as an evidence before God.

It was just a few years ago that he was born

A few months ago he celebrated his birthday

Wasn't he just a teenager few decades ago  
Today RIP is written by his name and it's the end.

He used to decide what to wear  
He probably had his signature cloths  
He used to admire himself in the mirror  
Today he doesn't even know if his body is naked or not

So what is life  
Why all the pride  
Why all the selfishness  
Why waste your time on things that will expire

The power you are chasing will expire at death  
The beauty will expire  
The Anointing will expire  
The greatness will expire  
The wealth will expire  
The crowd will expire  
Your name will become history

But your soul will not die

Your soul will either enjoy because you invested your time in building it for eternity

Or your soul will suffer because you neglected it to chase things that will expire

Your soul will outlive the earth

Your soul is worth more than the earth

Your soul will outlive any ministry

Your soul is the most important thing to you

Jesus is the only way for your soul

Jesus is the only truth that can feed your soul

Jesus is the only life that can give your soul everlasting life.

You will be a fool to be rich in things from this temporary world and loose your permanent soul in the process

No matter how expensive and beautiful vanity is, it's ending will always be vanity

Religious vanity will always end up in vanity.

What can a man give in exchange for his soul.

What shall it profit anyone, to gain the whole world and loose their soul

Absolutely nothing.

To the man who died, I have nothing to say, he cannot hear me.

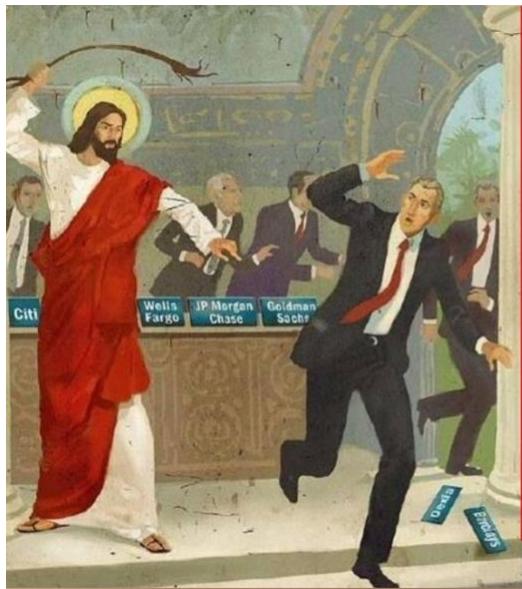

Why should i say rest in peace when I don't have a say in the matter.

If he obeyed Jesus 100% then he will rest in the bosom of the Lord

If he neglected some key instructions or he allowed motivational preachers to lead him into misinterpreting the Bible, then no rest for him

To the living I would love to say this.... The day you would die is less one today, prepare for that day earnestly.

God bless you

IT'S MY  
FATHER'S  
BUSINESS  
NOT YOUR  
PERSONAL  
BUSINESS

Femi Oluyamoju

IT'S MY FATHER'S BUSINESS NOT YOUR PERSONAL BUSINESS

Bible Story Series

Femi Oluyamoju

## THE PROBLEM

Prophet Malachi warned the people sternly because humans will always be humans.

Can you imagine!!!

They started bringing blind ram for sacrifice just because it's cheaper to buy.

Especially during the Passover celebrations, the priests will be very busy and they won't even notice that the dove brought for sacrifice cannot fly.

Rams that have serious diseases and expected to die in few days were hurriedly sold at cheap prices so that they can be used for sacrifice.

Before the priest cut the animals, they would have given up the ghost.

Another issue were foreigners. They come with strange currencies and the money changers in the market Square started exploiting worshippers.

## THE HUMAN SOLUTION

Some smart innovative members brought new innovations to the temple. These guys didn't study so much about God's instructions as regards the temple, they were successful in business and moguls in the corporate world.

Why can't we sell quality animals right in the synagogue?

Why can't we have temple money changers so that we could assist foreigners who come with foreign currencies? They can easily change the money in the synagogue, buy animals for sacrifice.

This is a wonderful innovation.

We can even select the temple traders from our congregation so that we create employment for them.

This will also increase our income as a temple because 1) We can rent out spaces to traders 2) The unemployed members can get jobs 3) Tithes will be paid from the temple sales.

Verses were taken from the scroll to support this new innovation.

Psalm 35:27b "Let the Lord be magnified who hath pleasure in the prosperity of His servant."

"The blessings of Abraham is ours, Solomon was wealthy, etc"

This was a fantastic solution. This was implemented and this became the norm and more pronounced during festivals and celebrations.

#### JESUS'S RESPONSE

Jesus didn't accept any of their reasons, their innovation was an abomination.

Heaven never sanctioned the idea. Though it sounded nice to the ears, it brought about growth in the temple, it was widely applauded, Jesus detested it.

Temple sales was what was being done in the temples of Baal, this innovation was to make the temple more attractive to sinners via ease of worship but these was considered abomination to Jesus.

They actually thought that Jesus would celebrate their innovative additions to service but Jesus responded with the whip.

Jesus whipped them out of the temple.

Jesus exclaimed: THIS PLACE IS ONLY FOR MY FATHER'S BUSINESS. IT'S A HOUSE OF PRAYER.

THIS IS NOT A PLACE WHERE YOU DO YOUR WORLDLY BUSINESS YOU THIEVES. THIS IS NOT A DEN FOR THIEVES.

MY FATHER'S HOUSE AND YOUR WORLDLY BUSINESS DO NOT MIX.

YOU HAVE ALL OVER THE EARTH TO DO YOUR BUSINESS, BUT YOU STILL BRING IN BUSINESS TO DEFILE THE PLACE SET ASIDE TO WORSHIP MY FATHER.

I VIOLENTLY REJECT YOU, YOUR SERVICES, YOUR INNOVATIONS, YOUR SACRIFICES.

BECAUSE YOU WANT TO PRAY AND AT THE SAME TIME YOU ENTERTAINED MAMMON IN MY FATHER'S HOUSE, YOU ARE NEITHER HOT OR COLD. I SPEW YOU OUT.

Jesus whipped everyone around him, He scattered their wares, the animals were set free, currencies were poured out to the ground. The money changers couldn't wait to pick the money on the ground, the animal traders couldn't wait to guide their animals. If they waited any longer, the whip of Jesus will sound on their flesh.

They ran off and recorded so much losses that day.

Jesus proved to all and sundry that God is never interested in any prosperity that contravene His laws and instructions.

\*\*\*\*\*

The house of God has always been a solemn place of prayer and communion with God.

The church is not a place for business transactions of whatever sort. No matter the innovative ideas behind your church business, it remains an abomination.

Using the pulpit to sell things or advertise sales remains an abomination.

Selling music to the highest bidder by so called Gospel artist, who collects money before singing in the church remains business and abomination.

Converting the church music into club styles is an idea gotten from satanic centres called night clubs. All the disco lights and dark auditorium never represents the solemn design God planned for his temple. These are importation from the temple of Baal, they remain abominations.

Selling your talent during services for money by instrumentalists is a business transaction.

Church employees who sell their certificate of theology in order to earn salaries are into business transaction. This can't be found among the early Apostles. This remains an abomination.

Mission schools and mission institutions follow the old instructions of helping the poor and giving access to the poor. This follows the instructions of Jesus to help the poor.

The church has no business in the capitalist market, making profit off the lamb that Jesus requested that we should feed. This is abomination.

The new rave of building business centres including banking hall, paid recreational facilities, paid restaurants and cinema halls together with auditorium was an abomination and will forever remain an abomination.

Monetising Jesus by sales of anointed oil, handkerchief, stickers, special lunch with leaders, paid special services with entry ticket fee, selling books within the auditorium are all business transactions. They remain abominations.

Jesus didn't only whip the church leadership, he also whipped the traders and their customers.

The whip of Christ is waiting for those who organises these various businesses in the church and those who patronise them.

Many have used Bible verses to cover up their businesses but Jesus is the same yesterday today and forever. What Jesus says no to today will be no forever.

Let no one deceive you that it was the Holy Spirit that led them into converting the church of God to business transaction centres. The Holy Spirit will never contract Jesus.

The church is not designed to become an employer of labour. The church is the house of God where men are made ready for rapture. None of the early followers of Jesus converted the church into business

The men who come in contact with God in the church would do great things outside the church. Their light will shine for the world to see.

There have never been a time where God told the church to go into business so as to finance the gospel. Never was and never will.

Before you contribute towards any project in church, please ensure that it doesn't contravene the instructions of Jesus so that you too won't get the whip of Jesus.

The church is strictly the business of our father in heaven and not available for any other kind of business

Please be guided

God bless you

# JESUS'S BANQUET HAS DRESS CODE

Femi Oluyamoju

JESUS'S BANQUET HAS DRESS CODE

Bible Story Series

Femi Oluyamoju

It was a royal banquet specially designed for those who you would rather believe were close associates of Jesus.

The banquet was ready, the hall was designed and the drinks chilled.

It was a banquet with the creator of heaven and earth. A rare opportunity to sit on the same table with our Lord and Master, Jesus Christ.

But on that faithful day, as at the time the party should start, the hall was empty. Those who were invited have fixed their own activities for the same day.

They have opened their own ministries and have created their own parties.

Everyone who knew them thought they were so close to Jesus and that they loved Jesus the way Jesus loved them.

The world saw them as those who moved with Jesus but alas. They were close with their mouths but far with their heart. On the day of Jesus banquet, they were no where to be found.

Unfortunately their followers and workers also thought they were still an item with Jesus. They were busy working for them, thinking their masters will lead them to Jesus but on this faithful day, they had to work in the parties of their masters, they missed the banquet with Jesus.

Jesus, who won't waste resources, asked his disciples to go out and get the kind of persons who aren't normally invited to such a banquet.

Beggars, the poor, the sick, the sinners, the down trodden were all invited to the party.

But there was a condition, Jesus's banquet is free but requires Obedience to Jesus Himself.

There was a dress code for the party of Jesus. You must put off your old dress and put on the new dress. You must become a new creature. The dress is free from Jesus.

You must put off the old life, you must let go whoever or whatever you are, you must be disciplined and follow to the letter the dress code to partake in the banquet of Jesus.

When Jesus was going round, He saw someone in His banquet who came in his old cloths, Jesus the disciplinarian told the guides to throw him out.

The man was surprised, He thought Jesus was just a simple guy who accepts anything as long as you pay tithe and go to church, unfortunately the real Jesus was a man who won't accept anything less than 100% obedience to His instructions.

Oh!!!

This was the reason why the supposed friends of Jesus didn't come for the party. They have become so big, they can't obey the dress code.

They only use Jesus to feel big but they can't put off their old ways to fully accept the Jesus banquet garment.

Unfortunately, they made all their workers miss in the banquet.

Are you ready for Jesus banquet?

.....

First lesson:

There are many men and women who had been with Jesus for so long but by their fruits, they no longer conform to the instructions of Jesus as regards Christianity. They get angry on the altar, they chase wealth as if they won't die, they allow people call them Spiritual father/daddy/mother, they carry about titles and many more. These have put off the garment for the banquet of Jesus.

All they that follow them, will be like them and they will also miss the banquet with Jesus

Lesson two:

Jesus has invited many others into His banquet. There are brothers and sisters who don't have big titles, who live in obscurity, who aren't chasing after glamour but they have met Christ. They might teach sermons that oppose the popular teachers but they stick only to Jesus messages. They can lead you to Jesus's banquet.

Lesson Three:

Jesus expects you to become a new creature when you meet with Him.

You can't continue to dress, speak, dance, live like the sinners and at the same time hope to dine with Jesus. Never

When you come to Jesus, there must be a total change in lifestyle and way of life.

Christianity is not of the heart alone, Jesus must see the effect on your life and lifestyle.

Anyone who do not become a new person in Christ will never sit down with Jesus to dine at the banquet after this life on earth.

Don't allow others to derail you, stop following men. Follow Jesus alone.

Matthew 22:1-14

# THROW AWAY THE TRUMPET

Femi Oluyamoju

## THROW AWAY THE TRUMPET

Bible Story Series

Femi Oluyamoju

The people had started murmuring, it seemed the temple priests are living too comfortably.

Their children eat the best meals and their wives wear the best cloths. They seem to be very wealthy despite the economy of Jerusalem being in shambles due to the Romans that are in government by force.

It seemed every time you visit the temple, the priests always finds a reason why you have sinned and must bring sacrifices. These made the temple priest wealthy off the congregation.

In order to stop the wagging tongues, the Pharisees devised a method of shutting down the complaints.

The synagogue leaders agreed that whenever they want to give to the poor, everyone must know so that no one would be justified to accuse them of feeding fat off the temple.

So trumpets were given to certain persons to blow loud, so as to inform everyone that they were giving to the poor and helping the needy.

One day Jesus was passing by and another Pharisee was doing the usual, he had trumpeters ahead of him so that everyone can see that he was giving to the poor.

Jesus used that opportunity to teach His disciples. "Don't give like the Pharisees, they have no reward in heaven, they are not recognized in heaven. If you want to give, you must give in such a way that it's only the person you are giving to, that would know. Even the person standing by your side shouldn't know that you gave to the poor, that is the only time you will be a true Christian and not like the Pharisees who I have rejected."

John the beloved exclaimed; "No wonder! I have been taken notes of things that happen with our walk with Jesus but I have not been able to record where Jesus actually gave to the poor, but I know our purse is for the poor. This means Jesus always gave very discreetly"

The other disciples agreed with him. (This is why you can't find the records of Jesus numerous giving in the Bible)

Judas Iscariot smiled and said, "I have been monitoring Jesus, He had a way of letting me know it's time to give to the poor, and I will give it all to the poor."

Jesus smiled knowing that Judas Iscariot had been stealing from the purse but Jesus never confronted Judas. He knew that Judas was not a disciple but a betrayer.

Jesus ensured that the purse wasn't given to any of His disciples rather it was given to Judas Iscariot. He didn't want mammon tempting His own disciples.

From that day onward, the disciples of Jesus continue to give to the poor but you can't find the record in the Bible.

They do it all in secret, they want their full reward in heaven.

Even the early church never needed to publicize their givings to the poor, everyone already knows that once you get to the church, you will be taken care of.

.....

## Note 1

The hospital cannot brag that it sells drugs for headache, the abattoir where cattle is killed can't boast and blow trumpet that it has knives for killing animals so also the true church of Christ cannot advertise that it gives to the poor, it's the duty of the church.

It will be foolish of a parent to make adverts or flyers that he/she is taking care of his/her children.

No one boasts of doing the basic things of life. Have you seen any human being making flyers/posters to advertise that they are breathing or using the toilet. It's only a sick person using a breathing aid or unable to pass urine that announces such.

Any church, ministry, Christian organisation that advertises their givings to the poor can be categorised as being sick because a normal church of Christ gives to the poor naturally and it's nothing advertise.

## NOTE 2

Same goes to human beings, when you become a follower of Jesus, you will give naturally and not by compulsion or by decree.

No one should know when you give to the poor or help the needy.

### NOTE 3

You shouldn't accept positions in the church where you are to advertise givings.

As soon as we advertise our givings, we lose our place in Jesus and we become like the Pharisees.

Don't become a 21st century Pharisee

God bless you

# CAN I DRINK THE WATER WINE OF JESUS

Femi Oluyamoju

CAN I DRINK THE WATER WINE OF JESUS

Bible Story Series

Femi Oluyamoju

Dear Paula,

I am writing to you with 15 bottles of alcohol in front of me. I have taken 5 and by God's grace I will finish the remaining ten.

I can't tell you my joy when I discovered that my Lord Jesus turned water to wine.

Gosh, I am no longer following all these legalistic preachers, if Jesus can declare free booze at a party then no one, I mean no one can tell me otherwise

Yours drunkard

Brother Flesh-led

=====

Dear Bro Flesh-led

I am yet to read a letter from you about how you sold your house after you read about how Jesus had no house. Seems you only look for verses of the Bible that you can misinterpret to suit your flesh.

First, it's the custom of the Jews that when prophets are born, they must not take any strong drink.

Jesus's mother had already been told that her son was special and in line with the Jewish tradition, she would never train him as an alcoholic drinker.

Secondly, the Bible times consider drinks made from fruits as wine while alcohol is called strong drink. While there were wines with higher alcohol content and too much of it could intoxicate, e.g sour grapes.

Thirdly, the mother of Jesus, a religious Jewish woman will not tell her son to make alcoholic wines. This was a woman that was strong enough to withstand the shame of virgin pregnancy, she led her son in the ways of God and by the age of 12, Jesus was already discussing Bible with the temple priests. She was a strong woman and she won't jeopardize her son's calling just to please a party of wine drinkers.

Fourthly, the better an alcoholic wine is, the more bitter it becomes. On the other hand, the better the fruit wine is, the sweeter it becomes. The chief of ceremony didn't comment on the bitterness of wine but on the sweetness of the wine.

Finally, a Jesus, whose life was geared towards fulfilling God's mandate, who had opportunity to own a house but did not, who could have married but did not, who could have own horses but did not, couldn't have wasted his time getting high on booze.

These points I have stated in my letter are very obvious, there is yet to be a truly genuine Christian who the Holy spirit told to become a drinker.

Because Timothy wouldn't touch alcohol, Paul had to specifically write to him to only use the little needed for medicinal purposes. Such a letter won't be written if the early disciples were drinkers.

So bro Flesh-led, I believe you want to drink alcohol and you were only looking for Bible verses to back yourself.

Never forget that, everyone who misinterprets the Bible will face Jesus's wrath in judgment.

Throw away those bottles and desist from booze you drunkard.

Yours in Christ

Paula

## JESUS'S THREE TEMPTATIONS. PART 1

Turning  
Stones  
To  
Bread

Femi Oluyamoju

## JESUS'S THREE TEMPTATIONS. PART 1

Bible Story Series

Femi Oluyamoju

The whole kingdom of darkness stood still. Satan was furious.

He roared in anger: "How did you guys allow Him to grow to this age? I sent all you useless demons to kill this Jesus before He clocks 30 years."

"Now, He has gone to meet that John the Baptist and He has been baptized. Even the heaven opened and God Himself spoke. We need to fight against this Jesus with everything we have"

Satan stood up and addressed his meeting, "Do you all remember that the first Adam and Eve were created without sin yet when I met with them, I tempted them and they fell. Watch me as I deal with this Jesus."

At that instant, Satan came down from the sky with his numerous demons. These demons have come to learn from their master, their master was the only person with enough wisdom to counter Jesus.

#### TEMPTATION ONE: THE OTHER VOICE

When Satan got to Jesus, he called his demons and explained to them in a lecture like manner his planned attack.

He said: do you guys remember the first tactics I used for Adam and Eve? I distracted them from listening to God to listening to me.

As long as a person keeps listening to God, they will have faith, they will obey God, they will stand firm and they will have strength.

So how I work is this, I first attack the various encounters that they had with God, I question if truly they heard from God.

That's what I did to Eve, I made her inquisitive about the fruit, I made her start wondering what was special about that fruit, then I stylishly led her to the tree. She should have not entertained my discussions but she allowed me.

I questioned the instructions God gave them. That's the same things I do to all and I will implement same for this Jesus.

All the while Jesus was in the wilderness, Satan kept asking Him; Are you sure you are special?

Satan said further; Jesus, you thought you heard a voice saying you are the beloved son, are you sure you heard right?

How can you be a beloved son yet you are fasting for 40 days and night? How can hunger be the evidence of your sonship.

Do you feel any special? Can you feel any power in your body? After the Baptism, did you feel funny?

Satan kept bombarding Jesus with a lot of questions just to make him doubt the Anointing and the voice of God.

Satan turned to his demons and said "now it's time to give Jesus the first blow I gave to Eve. I, Satan, started a discussion with Eve and she answered me. I questioned the instruction God gave them, instead of her to shut me up, she answered my very stupid question: "did God tell you not to eat all the fruit in the garden"

If food works for Adam and Eve, let me use food for this Jesus.

So Satan told Jesus, "you know I have been asking you if truly you received power, if truly you are a child of God, if truly you have Anointing. Now let's test it to confirm to yourself that you are truly a son of God"

Satan continued; "At least no one is around, no one will see you, if truly you are the son of God, you should be able to do very simply creative miracles like turning one small stone to bread"

Satan concluded by saying; "I am not asking you to do something crazy, you know as the son of God, you are not supposed to be hungry, since God is your father, he can use anything to feed you, so turn stone to bread, consider it as fulfilling three key things. First, you will confirm that you are a son of God, secondly you will feed your hunger and thirdly you will use it to practice how to do great miracles". Don't forget that the thing that God cannot do doesn't exist.

Satan finished his perfect temptation and watched as Jesus looked at the stone.

The whole demons were quiet, even demons sent to kill temporarily forgot their assignment, their master Satan had thrown the first major temptation and the outcome of this temptation might mean the end of the ministry of Jesus.

The angels were all at alert, they can't talk in this regard, they only watched, waiting to hear what Jesus would say.

The Holy Spirit was quiet, He is the teacher and the helper, He descended physically on Jesus after the Baptism and He had prepared Jesus for the test, but as a very good teacher, He keeps quiet during the examination.

God the father was seated on His Everlasting throne, a part of Him called Jesus, has become flesh and went to earth, today, Jesus was about to be tempted but God knows that His part cannot sin because He had no seed of sin in Him

Then Jesus answered the devil, I know your voice and your tactics is to make me, the son of God, to desire to eat stone as bread. It is already written that man shall not live by bread alone but by the word the comes from the mouth of God.

The words you speak didn't come from God, I know your voice Satan, I know you very well, as important as bread is to the body, I cannot take decisions because of bread, I do not take instructions from you because I needed to eat, no matter how hungry I am, no matter how poor I am, no matter how dried up my provisions are, I will not stoop low to take instructions from you Satan, I will be patient to wait upon God to hear what God will say about all matters.

Until God gives me instructions concerning my sustainability and provision, I am very content because God's got my back, so Satan shut up.

Uhhhhhh

What a knock out, what a defeat, the angels rejoiced, the demons were confused, God smiled but Satan didn't even spend a second brooding over his loss, Satan immediately set in motion the next temptation. He never gives up.

To be continued

\*\*\*\*\*

Haven't you noticed that there are thoughts that come to your mind regularly questioning your salvation, the words of God and instructions of Jesus?

That's the devil, that's his sure tactic. That's him using the weapon of doubt and unbelief.

After this stage, Satan brings other voices to speak to you. These voices might be worldly advice from friends, family, social media or your office etc.

The next stage is that Satan will speak words that sound religious but Satan will intentionally twist the meaning of Bible instructions.

To assist him in confusing you, many churches and preachers have been empowered and prospered by the devil to teach heresies.

Satan has also gotten many former genuine ministers to backslide and teach half truths, just to confuse you.

These ministers entice you with sweet words, miracles, wealth, testimonies and prosperity. They will never teach you the bitter, painful instructions of Jesus, rather they present Salvation as easy and sweet.

Finally they convince you that having bread, money, cars, houses and worldly possessions is the evidence of being a child of God.

Such a person is now tempted to begin to turn stone to bread in the name of Jesus.

Such persons begin to sow money so that they can become millionaires. They fast and pray so that they can have prosperity. They run after Anointing oil, handkerchief & special prayers so that they can have more favour and prosperity.

Finally the devil ends it by telling such person: Don't trust God that He can take care of you, don't wait on the instructions of Jesus, don't be content with what God promised you, become covetous and don't be satisfied, fear being poor and do anything to be rich.

At this stage, many fail the test, they fail to tell Satan, man shall not live because of what he can get on earth or because of prosperity, possessions and feeding but the most important thing for me is to live and obey every instructions that Jesus the Word of God gives me.

Many fail to tell Satan that obedience to Jesus is better than any sacrifice or sowing or sacrificial seed.

Many fail to reply Satan exactly the way Jesus replied Satan.

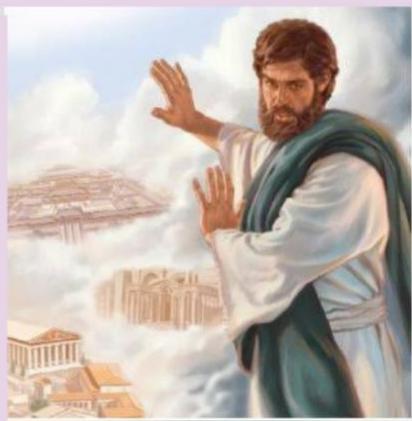

The question is this: are you one of those who rejected the devil or have you fallen for this temptation

To be continued

## JESUS'S THREE TEMPTATIONS

### Part 2

**Bow  
To  
Gain  
The  
Earth**

Femi Oluyamoju

## JESUS'S THREE TEMPTATIONS. PART 2

Bible Story Series

Femi Oluyamoju

After Jesus defeated Satan in the first temptation, God smiled but Satan didn't even spend a second brooding over his loss, Satan immediately set in motion the next temptation. He never gives up.

Satan faced his demons and taught them saying, I am moving to the next phase with this Jesus guy.

I don't give up when the person I'm tempting escapes, rather I increase the tempo of my tests and increase the intensity of my temptations.

## CREATING FEAR OF LOSING OUT ON VANITY

Satan continued his lecture: When I started discussions with Eve, I asked her about the fruit and she replied with what the Lord says, I immediately changed to my second test, creating a false sense of loosing out on vanity.

I made her an offer to look beyond the Lord's instructions and I painted her a picture of how wonderful her temporary life on earth will be if she disobeyed God.

I offered her the fake of what God had already offered her. She was already like god because she was created in His image but I painted her a picture that she can become god in this world on her own terms.

She never knew that all I wanted to do was to make her substitute the original for the fake. As soon as Adam and Eve fell, they lost their godlike positions to me, I made them sinners like me and I took over the position of the Prince of this world.

It worked on Eve and I have assurance that it will work on Jesus, Satan concluded.

So he led Jesus to the side of a great hill, he chose that place because it overlooked some of the most beautiful houses in town.

He had ensured that the latest transportation in town, the chariot of gold (the rolls Royce of that time) was visible to Jesus. He positioned ladies with skimpy outfits, all sizes of chest and behind. He ensured that the biggest boat of those times was parked at the harbour.

Satan who is a master planner with over 4,000 years experience ensured that the chariot carrying the most costly gold passed around the time Jesus was on that hill. Should in case Jesus could fancy homosexuals, he ensured that they were visible.

He showed Jesus the temple, how beautiful the temple looks, the crowd in the temple, how members were worshipping the priest and all the paraphernalia of the office of a great prophet.

After the full show Satan spoke: I do not argue that you are the son of God, let's forget about the stone and let's focus on your mission on earth.

God couldn't have sent you to earth to suffer, your God owns all the heavens but don't forget I am now in charge on earth. You need to do things the way of this earth so as to gain this earth.

Don't insist on doing things in accordance to heaven standard, bow to the standard of this earth and I promise you, I'll give you success.

The wealth of the gentiles is yours, just reduce your holiness and I will do wealth transfer.

Next time don't spend 40 days fasting and praying for ministry, bow to the lust of the eyes, fall in love with the things on this earth and only fast for prosperity.

Do you see those fine ladies and gentlemen, choose your choice and I will give you as many as you desire.

Don't be content, grab as many as your heart desires, I won't deny you these sweet things.

Can you see those dance steps, those music and partying, add them to your services, borrow so much ideas from my world and I will give you plenty members.

Can you see the crowd in the city, they can all come for your services, just reduce your standard, accept my standard, and I'll give you a great ministry.

Bow to my way of doing things, I will even give you a temple more beautiful than that of the chief priest.

I won't stop you from holding services, but please bow to religion, join the crowd, do things the general way, don't bow to the Holy Spirit and I will grant you greatness in this world that I control.

That instant, Satan took Jesus into a vision and showed Jesus a picture of a very wealthy, popular, prosperous, ministry with millions of worshippers, he showed Jesus a vision of kings coming from all over the earth, just to see Jesus. He took Jesus high up into the sky to look at exotic places, great properties and how much wealth He controls. The vision was breathtaking.

Right that instant, Satan cut the vision and showed Jesus the crowd shouting kill Him and Jesus being thrown down a cliff to die a painful death.

Satan said in earnest, Bow to me and the love of the earth and I will make your stay here sweet and celebrated.

Reject my offer, you will be poor, you will be wretched, life will pass you by and you will die.

Silence everywhere

Jesus looked at everything the devil played in front of Him, actually they looked very beautiful and enticing.

Then Jesus looked at the heavens, what does it profit me to bow down to receive a earth made of dust when I can stand up for God to receive eternal reward.

It will be foolishness to accept to reduce my holiness so that I can enjoy the earth for 150 years when I have access to heaven for ever if I stand upright.

What can separate me from the love of God, is it lack, poverty, nakedness, lack of great ministry, lack of popularity or what?

I'll rather loose my life on earth than loose my reward in heaven.

Jesus turned to Satan, Satan get behind me, take all your offers and put them behind me. I will not chase after them, I will not consider them. Your best gold on earth is less than the sand in heaven.

Those houses and chariots will soon expire and civilization will bring new toys. No matter how beautiful those ladies are, it's made from dust.

I'll rather have 11 disciples that are heaven bound and choose my own betrayer myself than own a massive temple where worldliness is enthroned.

You see, my reward for 100% holiness is far greater than all the fake glory on earth.

Satan, you made a mistake, you couldn't stop me from reading the word of God for myself, it is written that the only person we are to bow to is God in heaven and the only purpose we have on earth is to serve God.

Satan, listen very carefully, I have counted the cost, I am willing to loose this world just to gain eternity.

Thus, Jesus defeated the devil again

God smiled, the demons were confused, Satan their master had failed again.

But Satan didn't act like someone ready to give up, he was already strategizing for the next temptation.

.....

It is the strategy of the devil to present this world as interesting while making you feel living the lifestyle of Jesus is boring and dull.

He had succeeded in turning a lot of believers including churches to follow after worldliness.

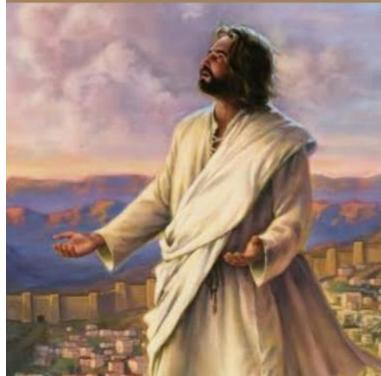

Satan is in charge of the world, it's styles, it's Standards and it's riches. He gives it to anyone who is willing to bow to worldliness but the price you will pay is your eternity.

He has succeeded in forcing many churches to reduce the standards of Christianity so that they can gain crowd. They have bowed to pressure and indirectly they and their leaders have bowed to Satan

Have you bowed? Run to Jesus, He is waiting to help you overcome

To be continued

# JESUS'S THIRD TEMPTATION

What your God  
cannot do doesn't  
exists so  
Jesus!!! Jump down  
From the pinnacle

## JESUS'S THREE TEMPTATIONS. PART 3

Bible Story Series

Femi Oluyamoju

After Jesus defeated Satan in the second temptation, God smiled but Satan didn't even spend a second brooding over his loss, Satan immediately set in motion the next temptation.

This time around, He watched as Jesus walked into the city of Jerusalem. He knew Jesus was going to the temple, so he waited for Jesus at the temple.

The temple was built by a hill in such a way that you could literally walk up to the pinnacle of the temple.

It was also almost time for prayers, the people of that time have the habit of rushing into the temple for prayers. After prayers, many will rush back to their businesses but a few will wait for the scroll reading.

The time that Jesus got to the temple, the crowd had rushed in for prayers so Jesus stayed at the pinnacle.

Satan the master strategist smiled, he actually planned it all. He pushed many people to the temple for prayers just so that there won't be space below. He wanted to tempt Jesus at that place.

Satan turned to his demons and he taught them saying; when I tempt people with my words and with the beauty of this world and they pass, the next thing I use is religion.

#### FAITH FOR SELFISH DESIRES

Since they have decided to serve God, I use their service and familiarity with God to test them.

I give them a false sense of FAITH that is outside the obedience of GOD. This is actually more of tempting God rather than faith.

I tempt them to only use God as a means of satisfying their selfish desires. This is not what God wants, this is actually idolatry. I make

them comfortable with another kind of religion that looks as if they are serving God but they are actually serving themselves. This is idolatry.

Same temptation worked for Eve. I told her to have faith and believe that if she eats the fruit she won't die. She had faith that if she do what God told her not to do she won't die, isn't that foolishness? But I tempted her to believe and finally she fell, she ate the fruit and assisted me to give her husband who refused to listen to me directly. They finally fell and death came into the world.

I am going to do the same with this Jesus.

So Satan came to Jesus, in the pinnacle of the temple, and said to Jesus; Your God isn't an ordinary God, your God is very powerful. What your God cannot do, does not exist.

If truly you are the son of God, don't wait for your God to direct you, rather direct your God yourself. Your God says whatever you decree shall be established, your God also says you should ask and it shall be given unto you, don't wait for the will of God before you ask, ask according to your selfish desires, ask to please your self.

If truly you are the son of God, you need to showcase your God by performing showmanship miracles. Just perform unnecessary miracles just to prove to people that you have power so that your ego can be satisfied.

If truly you are the son of God, jump down the pinnacle. Thank God you know how to read the Scrolls, it is written in your Scrolls that angels will catch you.

Make a great entrance, start your ministry in a big way, show off your anointing. Jump now

The silence in the spirit was deafening.

Satan faced his demons and instructed them: if Jesus jump down, I need many demons to catch him.

I don't need him dead again. His death means God will quickly send another deliverer.

I need to convert Jesus from a son of God to a magician. From a minister of truth to a showoff minister. I will use this singular act to increase his ego & pride, he will begin to use God to magnify his anointing and finally I will destroy him alive. I will use him to teach the crowd rubbish and instead of saving the earth he would be performing magic.

So the demons dressed like Angels of light and went to wait for Jesus at the bottom of the temple.

God was silently watching, this temptation is very slimy. It's covered with religion, it's like the voice of Jacob but the hand of Esau. Only those who have totally yielded their lives to God can defeat this test. Those who follow religion will fail this test.

Jesus replied the devil, I don't need to prove my sonship to you or anyone. I am the son of God most high.

There is a thin line between serving God because I want to please God and serving God because I want to please myself.

You forgot that I had surrendered my all to God and I have no dreams, no ambitions and no personal goals outside God's will for my life.

I can't take any decision unless I am led by God, I don't practice the religion self and I do not lift my own desires above God.

There is a thin line between having faith by submitting to the will of God and tempting God by trying to submit God to my will.

God hasn't given this instructions to jump down, all the reasons you gave me were to satisfy my flesh but FYI, I am dead to the rulings and dictates of the flesh.

Satan, read my lips. I cannot and will not tempt my God.

There was an applause in heaven. A great celebration.

For the first time, since creation, we have found a human being who didn't fall for any of the three major tricks of the devil.

Finally, we have found a being whose life can become example to many.

For the first time, the great tempter failed woefully.

Satan left immediately after telling Jesus, I'll be back.

The Holy Spirit congratulated Jesus and came back to minister unto Him.

Satan repeated these tests many times in the the lifetime of Jesus but he failed all through

Jesus became the only man who have walked the earth without committing any sin.

The only way you can also overcome sin is to follow 100% the teachings of Jesus and his lifestyle.

.....

There is a very thin line between serving Jesus because you have recognised Him as your Lord and saviour and serving Jesus because you want a better life.

Satan is very comfortable with those who are religious but who still have personal desires, want wealth and want earthly things. They have fallen for the third temptation of using God as a means of pleasing themselves.

Ministers who do show off of their miracles, who do signs and wonders on camera, who prove their Anointing by making other people fall in church, who teach members to command God for their personal desires, have definitely fallen for the third temptation of the devil.

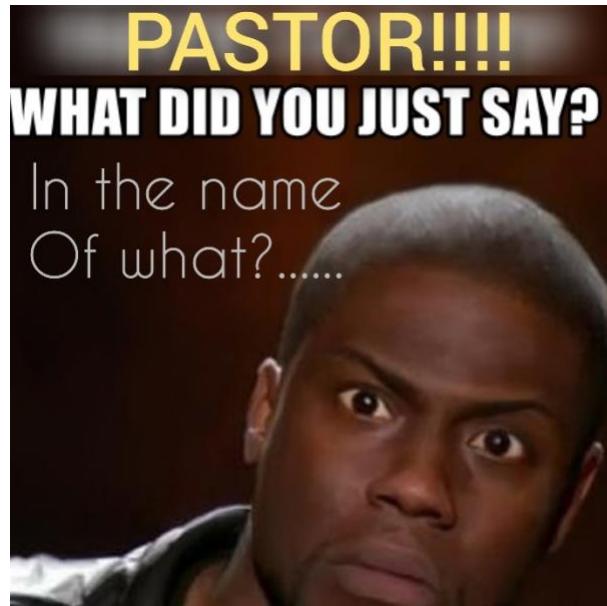

Do you love God more than your own life? Are you ready to loose the whole world if it's needed to please God? Then you are on your way to defeat the devil.

Do you still fear poverty? Do you go to prayers meetings only because you want miracle? do you only give to God because you want more

money? Do you only pray when you need something from God? Then you are already in danger of the third temptation.

Accept Jesus today and obey all His instructions so that you can overcome the devil

God bless you

In the name  
Of what?.....

PASTOR!!!

What Did You Just Say? In the name of what?

Femi Oluyamoju

It's time to open ones eyes and ears wide in services.

It's time to question why the man of God uses other titles rather than the name of Jesus.

Examples:

In the name of the most high (some occult temples refer to their master as most high).

In the name of the "ayamdatayam" the listener will think that it's "I am that I am" not knowing it's a demon

In the name of the god who called me, we are not there when you were called sir. We don't know if it was the living god or Hunger.

In the name of Jezoor, the listener will think it's Jesus that's being called

I decree by "fire and thunder", some are referring to Sango the Idol of iron. (This has been confirmed through confession)

In the name of "GEEOOFAAA" listener will think it's Jehovah there's being called.

In the name of the God of this ministry, hmmm we don't know which god you have given the ministry to.

In the name "above all names", in some occult, they have given the grand master that title.

In all these instances, it's not only by what they call in their mouth but who they really call in their heart...

We are at the last days.

Our discerning spirit must be very sharp.

Don't allow just anyone lay hands on you, you don't know where the hands have been.

Beware of oils that you can't vouch for their origin.

A fornicating pastor will pass fornication to the members. Pastor with broken home will pass that grace to members too.

Never be moved because a pastor says stories, if you can't find a Jesus instruction on that matter, ignore

Don't be moved by crowds, anyone with the right tools will fill a stadium

Don't be moved by success, Satan will finance his own ministries.

Don't be moved by miracles, it's easy to be arranged

Know Jesus for yourself.

Get personal with Jesus.

God bless you.

# 21st CENTURY TOWER OF BABEL

Femi  
Oluyamoju

THE 21ST CENTURY TOWER OF BABEL

Bible Story Series

Femi Oluyamoju

God had prepared 510 million kilometres square lands for the inhabitants of the earth. More than enough land to help them to fulfill the blessings He gave them at the beginning.

God has already released to them the whole earth to multiply, subdue and dominate over.

God designed it that there will be various kingdoms, nations at different parts of the earth so that His perfect plan for the earth can be established.

But Satan deceived the inhabitants of the earth. He told them not to scatter but to build one massive city that would reach to the heavens. The tower of Babel.

Satan's plan was that, if everyone on earth follow just one leader; the king of the tower of Babel, all he needed to do was deceive the one leader and the whole earth would start worshipping the god of the leader.

If everyone stays in the same city, the king can design one Idol for the whole world to worship and they would all follow blindly.

While the inhabitants logically thought the idea was good, Satan had a more sinister plan.

He doesn't want the emergence of Abraham, Isaac and Jacob. If everyone had stayed in the tower, Abraham won't have anywhere to go to start a new generation.

By the time Jesus would have to be born, there will be no more humanity because just one disaster in the tower of Babel would lead to the death of everyone on earth.

Satan planned that even you my reader would never be born. The reason why Satan told the inhabitants of the earth to go against the plan of God was so that he can kill, steal and destroy.

But God is wiser, God is smarter. God scattered their language that day.

Today the earth is better off because God didn't allow the tower of Babel.

.....

When Jesus was going, He gave His disciples one key instruction. Go into the world and make disciples of all nations.

Before Jesus came, all Israel do gather together at the temple to perform weekly, monthly and yearly rituals unto God.

But these kind of service didn't produce the kind of life that overcomes sin. So Jesus corrected it by introducing the discipleship method.

Jesus discipleship method produced 100% result. The eleven that Jesus chose to carry the gospel all succeeded. The one person Jesus selected to betray Him also fulfilled his assignment.

So when Jesus was going, He commanded His disciples to continue with the new successful method that He introduced. DISCIPLESHIP.

Unfortunately, men naturally would prefer to gather rather than scatter.

The disciples gathered together for a while but God used persecution to scatter them so that they all went into various cities to raise disciples.

Paul too wasn't given the grace to build religious tower of Babel because he was so much persecuted and had to travel from one city to another. At most, he spends less than 2 years in a mission field before moving on to another. Raising disciples.

Today, the church has naturally gone back to the building of 21st century tower of Babels.

We seem to think we are wiser than Jesus, so we threw out the discipleship pattern that our Lord and Master introduced and we went back to the congregational styles of the Israelites.

We adopted the Sunday-Sunday ritual and the monthly and yearly rituals as against the effective discipleship patterns of Jesus.

Discipleship can not be done in church services but real life, one on one pattern that Jesus introduced.

Unfortunately, instead of scattering all over the earth, in every home, every street, every office, every market, every institution, every government office, raising disciples, we rather rent or build properties for weekly meetings. Just like how they did before Jesus came for correction.

To crown it all, we now pull resources together to build staggering towers that would sit thousands of worshippers at once.

We now have and celebrate various religious tower of Babel that negates the instructions of Jesus.

The danger of this is that;

One human being becomes the voice heard by thousands of persons every service. Many others that God had given assignment for their locality fail to fulfil their assignments.

We know that every human being still work towards perfection, the error of the one man preaching in the mega tower becomes doctrine for thousands of followers.

The devil doesn't have to fight everyone in church, all he need do is make the leader backslide and start teaching heresies and thousands, if not millions would end up in hell.

If the leader has weakness as touching money, he would teach covetousness into the life of his members and they would all become afraid of poverty and slaves of riches.

If the leader has weakness as touching music, Satan can bring in derailing music and all the members follow.

If the leader has a weakness for sex, scandals become the order of the day and members too fall for sexual sins.

The error of the leader of the religious tower of Babel is the error of all.

This wasn't the plan of God, so God being God, raised other persons.

They speak against what the church has become today. They confront the worldliness in the church and lead a few back to Discipleship.

The church failed to learn from history. Every generation that had left Discipleship to be building towers never saw lasting revival. All the towers that were built in 1500s, 1600s, 1700s had been destroyed but the persons they were Discipled had passed the torch to the next generation.

No matter how great the auditorium "religious tower of Babel" is today, in less than two hundred years, it would have been destroyed.

A lot of formerly 100% Christian countries that neglected discipleship has become pagan nations. The great buildings has been sold by the same youth who they indulge instead of discipling.

Come out of the tower today and start the true and only assignment Jesus would reward; discipleship.

This write-up is another attempt by God to scatter the voice of towers and to call you out into Discipleship.

Obedience is better than sacrifice.

God bless you

# MARTHA'S MINISTRY OF WASTED EFFORTS

Femi Oluyamoju

## MARTHA MINISTRY OF WASTED EFFORTS

Bible Story Series

Femi Oluyamoju

A messenger ran into the house to inform the household that Jesus was on His way to the house of sister Martha and sister Mary.

The two sisters were filled with joy, they had both met Jesus and they have accepted Jesus as their Lord and Master.

Martha ran into the house to prepare for the coming of the Lord Jesus Christ. She was practically running from pillar to post.

A lot was going through her mind, where will Jesus sit? hope the chairs are ok? hope there are no issues with other logistics?

Mary on the other hand ran into her room, got her Scrolls, her feather and ink. She had so many questions to ask Jesus and here is another opportunity to learn at the feet of the master.

When Jesus got inside the house, many disciples gathered round Jesus. They know that Jesus doesn't have time for frivolous religious activities, Jesus went straight into teaching, answering questions and dishing out instructions for a truly fruitful Christian walk.

Martha was busy preparing the food and snacks that would go round and in a hurry, she almost fell down. Exasperated, she looked for her sister, "how can Mary just leave me alone to sort out many things" she muttered in anger.

With giant strides, she bust into the courtyard where Jesus was teaching and because she was overtaking by a sense of pride that she was working for Jesus, she cut into Jesus's teachings with a loud voice. "Jesus, I am very busy working for the success of your ministry in our home but Mary is just sitting there listening to you"

Everyone was startled. Jesus looked up at Martha. Jesus had noted that she had been busy running up and down because of ministry. She had missed a lot of important lessons in the process.

Jesus addressed her calmly: How can you have the opportunity to sit with the king of kings and you would rather choose to be in the kitchen.

Mary had recognized that I am more pleased with those that priorities my instructions before service.

Am I not able to feed 5,000 with just a few bread and fish? Can't I look after the little flock that gathered in your house? Never think that because they gathered in your house, they are now your responsibility. No! If I am not here they won't be here.

Mary as understood this things, she has learnt of me while you were roaming about and that which she has learnt cannot be taken away from her but all your running about is a wasted ministry that I do not recognize.

Martha was dazed. She sat down right where she was. Every other guest would have appreciated her service but with Jesus it was different.

Jesus is more interested in your obedience than your service.

Hmmmm

Martha, sat down there, she left all the work undone to learn afresh from the master.

## FIRSTLY

We fail woefully when we concentrate on the church ambience, the location, the music, the sound and the service more than we concentrate on the word.

The main reason we are gathered in any church service is to learn at the feet of Jesus. That is the main reasonable service.

We can't have a 3hr service and their is no message about the instructions of Jesus, such services aren't recognised in heaven.

We can't be in church for 2 hrs, yet we only allocate 20 minutes for the word of God. We miss the reason for the gathering in the first place.

## SECONDLY

Beware of church departments that keeps you busy while the word of God is being discussed. Such is a wasted ministry.

Everyone is praying but you are taking pictures, the word is being taught but you are in the car park. Everyone is taking notes of the service but you are busy playing keyboard to the sermon, the word is being released but you are the usher guiding pastors office.

The message is being released in the service but the choir is rehearsing for the seventh service., The sermon is on going but the ushers are counting money in the strong room

All these are examples of Martha ministry. You miss the main reason for coming to church. The instructions from Jesus.

Don't allow a ministry to use you for organisational processes while your own life is being wasted away.

It's better, far better to grow in the word than become head of department that doesn't have time for the word.

### THIRDLY

Jesus doesn't recognize the service of a person who hasn't obeyed His instructions. Never!

You are still struggling with sin but because you are good, the church gave you a duty to perform. Such duties are wasted efforts because the services of a sinner remains an abomination unto God and their is no reward in heaven.

### Finally

Do you worship in a church where most Sundays are either one celebration or the other without serious time devoted to learning at

Jesus's feet, does your pastor spend almost the whole year teaching from the old testament rather than from the instructions of Jesus, or most services are about prosperity, healing, miracle, signs wonders, fighting the enemy, Anointing service, praise services, then you might be in a Martha ministry, busy but guilty.

It might be very wise to go to God for a direction to the right ministry. Sometimes the right ministry isn't glamorous or fanciful but they will help you grow in Christ.

Take a bold step today, correct your ways with Jesus. You have the full right to disappoint anyone as long as you don't disappoint God.

Jesus first, your soul second, other things can follow.

God bless you

## ABOUT THE AUTHOR

Brother Femi Oluyamoju and his wife, Sister Joke Oluyamoju are the conveners for the Holy Spirit Prayer House Network.

A network of many praying groups.

They also pioneered the starting of various online groups such as:

Marital Healing groups

Couples Dinner Groups

Evangelistic outreaches

Christian Libraries and many others

They believe in the old-time religion and the prophetic manifestation of the apostolic anointing and the sure second coming of our Lord Jesus Christ.
