DEDICATION

This book is dedicated to the **HOLY GHOST** for inspiring me to write this eye opening book.

APPRECIATION

My appreciation goes to my dedicated wife, **MRS NGOZI OLAYERI**, who typed the manuscript of this book and designed the cover page. My darling wife I say thank you. My appreciation equally goes to my lovely children, **MISS IBUKUN, DAVID, MICHAEL COMFORT and MERCY**. They encouraged me day and night as I write this book

Respect and honor should be given to who is due. Favor comes from God and men as well. My calling (writing evangelism) met the timely support of a particular man of God, preacher, teacher, prophet and General Overseer. He awakes my inner man and gave me sound spiritual support. Without his earlier support for my first book, [Fire for Fire Prayer Book](#) and subsequent ones, I may not be where I am today in Christian literature writing. He gallantly stood by me in fulfillment of my calling.

This book you are holding is a testimony of my claim. This book wouldn't have seen the light of the day, if not for the spiritual encouragement I gathered from my father in the Lord who served as spiritual mirror that brightens my hope to explore my calling.

I am talking of no any other person than the **General Overseer of MOUNTAIN OF FIRE AND MIRACLES MINISTRIES WORLD WIDE, DR. D. K. OLUKOYA**.

Once again, I say thank you sir. Your support has yielded yet another earth shaking book.

THANKS.

Evangelist Tella Olayeri.

PREFACE

To discover prayers, we have first to discover God. And this means turning ourselves inside out. It means we have to let God be our God not just God of the universe, majestic and remote, but Lord of our lives. We must get out of the limelight, vacate the stage and make our hearts his royal throne.

This book shall play the role to what we need; to confess, prophesy and receive answer. It obtains its name, **Hundred Percent Confessions and Prophecies** from the Holy Bible; made up of sixty-six books.

Prophecies and confessions spelt out in the last chapter of this book are taken from all books in the Bible from the book of Genesis to Revelations. Each book is represented by at least a verse. Other books like, books of Psalms, Job, Proverbs, Isaiah and Jeremiah have many verses taken from them. This establishes the fact that God's word cannot go back to him void. Hence, by the power of the living God, whatever you prophesy shall be established in heaven and on earth. You shall get result. Amen.

Enemies are terrible, they know you need only a step or two to get what you want; hence they go mad at you. They don't want your plans come to pass. They prefer you to dwell in anguish never bargained for. At this point you confess positive or negative.

Our tongue is warehouse of goodness or failure, depending how we use it. Confessions come from the heart; only to be pronounced by our mouth. Our confessions can either make or mar us. This is the reason we must be careful of what we say.

Prophecies and confessions can send one to grave of failure or sit one in palace of grace. Helpers are all over waiting for us to knock, open and demand our needs, but fear and uncertainty makes us withdraw. This book empowers us on how to handle issues of helpers we know, and or, pray through to discover helpers we don't know.

Confessions and prophecies play vital role in a life. With prophecy, assurance is built. Claims are made of what we don't see or have. This is where faith comes in. Faith is the active ingredient that delights God more than anything else. Key of faith opens doors of impossibilities. This

book shall enlarge your faith, as it shall sow seed of testimonies and fruitfulness in your life.

Time is at hand for your confession to come to pass. This spiritually researched book loaded with prayers of **over two thousand prayer points** shall do it. You shall reap prophecies and confessions you made and shall not be dumped. The grip of power of promise and fail upon your life shall break. Fresh memory of you shall dominate the heart of your helpers. Every attack against you and your helpers shall scatter, while blackmailers shall hand off your case.

I pray, challenges in the spirit and in the physical shall come to an end today, in the name of Jesus. Amen.

HOW TO USE THE BOOK

To open great door, you take great step. To meet great people, you must have great mind full of ideas and opportunities. Your ideas can die with you if you don't take right step.

The step to take is to pray right prayer at the right time. The right time to fight dark powers most is at night -mid night of course, when they assemble for evil. Therefore, go into vigil with this book preferably starting at 11 O'clock at night ending it at 3 o'clock or later at night.

Do fasting along; eat no food until 6 o'clock in the evening, before you set for the vigil. You can as well pray with the book in day time if vigil is close to impossibility as you may live in an environment that doesn't encourage prayer at night, and or you do night shift at work. Hence, do your prayer in day time supporting it with fasting.

For serious issues, go for twenty-one (21) days prayer using: -

Prayers in chapter 3 for 7 days

Prayers in chapter 4 for 7 days

Prayers in chapter 5 for 7 days

For issues that need to be quickly met concentrate on chapter five, pray other prayers as well to solidify your requests and results.

We must not fold arms in the midst of battle. The life is battle itself. We need to pray and cancel decisions of darkness against us. We are born to win not to lose. Many times we lose out because we don't know how to pray or go about challenges we face.

Also, you must know how to claim and retain what God gives you, called destiny. You must not be robbed!

Brethren, your case is not close until you decide to close it. Don't give up, fight on in faith, you are born to win. Be violent in prayer. The degree of your violence in prayer determines the victory that awaits you. It is time you count spoils not loss, triumph not defeat.

I have some free books for you to put fire to your prayer zeal. Pick them and inform others. Try and share your experience with five to ten people. You may be the one God sent. Don't leave them outside prayer war room.

Be your brother/sister keeper. Good-luck

PRAYER TO LOCATE UNKNOWN HELPERS

Generally, helpers are of two types: Helpers you know, and helpers you don't know. In this chapter we shall treat the latter, helpers you don't know, equivalent to our topic: Locating unknown helpers.

It is possible to pray and locate helpers you don't know, so that your story may change. Helpers are globally located, but it is left to you to make right move to locate them wherever they are. You should take bold step, at least the first move to address the situation.

It is wisdom to free self from cloud of uncertainty. There are times you don't know where your helper is, who your helper is, how to locate him, and when to locate him. On the other hand, there are times you know where a helper is, but you don't know him or steps to reach him.

Before one can locate unknown helper, he foresees uncertainties, like barriers, obstacles, fear, anxieties, obstinacy, and at times cruelty to overcome along the line. It is like warfare to search for the face of unknown helpers. There are clouds (problems) that need to be addressed, clear or settle down before one can see good face of a would-be-helper. Cloud has trouble shooting powers. It makes everything dull and uncertain. Cloud makes things impossible to be viewed at a distance. You need to clear the cloud or wait until it clears before tangible steps can be taken.

Cloud has power of stagnancy and backwardness. This is the reason you need to clear it before you make moves. It can resist you from locating helpers and tie you down to a spot. This is paramount when you don't know where your helper is located or who your helper is. It takes grace of God to know and do it.

One best way to clear cloud of uncertainty is to have ideas of situation at hand and ideas on ground, by approaching people with similar experience in the past. By this, you can drink from their cup of enlightenment.

To be in the cloud is terrible. Many are in cloud for several years without hope. They struggle and struggle but with no result. Yet they need to clear cloud of uncertainty before they can move forward in life. Many pass through this on daily basis.

To buttress our point, let's take the story of this young man as a good example. Brother Lucky (not real name) needed a job. He is a young graduate not quite long. After the mandatory one-year service to his fatherland, he was at home for three years now, searching for job in the labour market.

As he flashes through one of the daily newspapers, he saw a caption, "YOUNG GRADUATES WANTED" for immediate employment. The name of the advertiser wasn't mentioned, but P.O Box. He applied as usual hoping to receive letter of interview.

To him doing this is fulfilling one of those employment rituals. His hope hangs in the air as he doesn't know who to meet for assistance. Yet he searches for helpers most of whom he doesn't know.

Most people are in the shoe of this young man. They don't know where their helpers are, yet they need one desperately. By and large, you need to release yourself from the cloud. Your helpers are somewhere unknown to you. Your helpers may come from where you least expect or someone you never have flash of idea. The fact is, most times we fail to get helps from people we know. Help is a broad thing; it is like air we breathe. Help flows, it is like dipping hands into the ocean, it can't dry. Help goes on, even after death. What you sow, the good name you left behind may open doors of helps to those you left behind.

By this, whoever expects favour and helps only from his tribal men and women shall end up being a local champion. Whoever expects favour and helps from his country men and women may end up as a non-global

champion. To be a global champion, helps must cut across nations and people. What you produce needs global attention, and you need helps of others to do this. Helps abound, helpers run into millions or billions of people for your sake.

In the financial world, where trust is like scarce commodity in the market, it becomes absolutely impossible or difficult to secure financial help from individuals or from financial institutions. One may be on the struggle lane for a long time without success, unless luck is on his side, to gain trust and confidence to pay back. One may see potentials and success in an industry, with know-how, but for lack of trust, he may hang in the balance till eternity.

At times, when you meet conditions set down in a bank to secure loan, it is not automatic. You need to pray to see favour of the person in charge. Your approach, your background, purpose for the loan, the way you are assessed, your collateral and ability to pay back matters. The officer in charge doesn't know you from Adam, so he needs to take good steps before he says, "Yes, our bank is willing to help"

Let's go practical in a little way to understand this scenario. Someone needs help in the maritime industry that needs lot of money to start. In maritime industry financial assistance is quite complicated. Banks that want to finance you would wait for you to go and get a contract before they could finance it. Their condition is, you get the contract before we buy equipment for you. On the other end, the oil company that wants to use the vessel wants to see equipment's before they give you the contract. Here you are in the middle confused.

At this point, you are in between the bank and your client which takes you time to know. Really, at this point you know the bank officials and your clients, but they still treat you as a stranger. They claim you are not known to them. They can best be classified as unknown helpers.

The question that may go through mind is, how can I raise money for this project? When all doors are closed, you are likely to be left with only one option. Yet it is knocking at the doors of unknown helpers

worldwide by going to capital market. If you do it with all sincerity, the unknowns that buy the shares will float the business. At capital market you may give dividend and bonus, to attract and prove to people, there is much to gain. In subsequent offer for subscription, from mostly unknown people who are now your helper, business may boom and people turn out for good

If you are fortunate to sail through, it means your prayer is answered. This is done by scouting for finance from unknown people or source. Your helpers are unknown to you in the beginning. Your business magnet drew helpers to you in streams.

The question is why do you reduce your hope within the circle you can see? Make move today; release yourself from shell of stagnancy. Cultivate habit of extension. Pray for coast enlargement. Cry out for helpers located where you don't know to appear in your situation. You are destined to excel and fly high, but you can't do it all alone. Helpers must appear for your sake. Amen.

There is this critical question we need to ask, how can one locate unknown helpers? This is a question that needs answer. Answer to this can be discussed briefly below.

1. Your situation may be mentioned by someone who knows you before someone you don't know at all. God being on your side, this person who doesn't know you, picks interest in you and decides to help.

This is more reason you must have good inter-personal skill backed with good character. Your character sells you to others in your absence. On the other hand, your character can nail you as well. When parents, guardian or friends tell you to keep good character, they are telling you to build treasures that will keep you alive in the nearest future.

2. You may be seen on television or your case heard on radio. Most times, people that fall into this category are people seeking for financial and moral help from good Samaritans to carry out surgery abroad or victims that laid critically ill in the hospital. Also, missing children and

adults are telecasted or aired over the radio so that public can help report to nearest police station if need be. The public you seek help from are unknown to you. They are unknown helpers.

3. Another way is through internet chats. Many made it through internet chats while images of many countries are dented in the internet as well. Whenever you apply this channel, sincerity matters most. If you sell products, let it be. If you sell service, let it be. Let sincerity and genuine be your watch ward.

4. There are times when your service is needed but because the other party doesn't know your worth, you are not patronized. This is where interest and ability to discuss comes in.

When you discuss your worth with people, you will be known better. When you are contracted with and you perform, you will be advertised to people you don't know. From this point, unknown helpers come in. In the case of someone searching for job mere discussion with one person can lead to multiple doors of job opportunities.

5. Unknown helpers can come to play through people that render general services. To rent house, you need to contact an estate agent, you don't know. This is the beginning of the journey. In the house you rent, you will meet new faces that may eventually be of help to you. If you don't rent the house, you may not see such help. For example, in the house you rent a co-tenant or neighbor may approach you and convince you to buy land. From there, before you know it, you become a Landlord. This has happened to several people I know.

ARRESTING THE MIND OF HELPERS

Helpers are paramount to one's life. They are bridges to cross to get what we want. It is therefore necessary to know right prayer to pray for God's intervention to our needs, that is, to arrest helpers to our favour. The battle is half won when minds of helpers are arrested.

The question is, how can we arrest minds of helpers to favour us? The answer is not farfetched. The key to it all is prayer; next is our attitude, technical knowhow, intelligence, wisdom, word of mouth, neatness and approach to ideas. All these add colours to what we claim before our helpers.

There is this crying attitude we need to draw attention of help seekers to. As a help seeker, you don't need to cry before your helpers when you need help simply because you want to win their emotion. Are you in dear need of help? Think of it and take right step and action, not cry. Crying before helpers may at times scare him. He may look for all ways to discharge you, once this is done, he will avoid you like plaque.

A lot of people cry for different reasons. The most common is emotion-based, with some crying when they are confused, while others do so when showing concern for another person. The bottom line is, crying is not beneficial, neither is it a physical cleaning act.

Cry doesn't add value to discussion but subtracts. It doesn't win sympathy at times, as criers believe. Cry kills valuable time as time to think of better things are distracted by cries. Crying cannot make you feel, better, when on the cross road.

Thus, it will be counterproductive to meet helpers that eventually turn your request down. Rather than cry, pray prayer of magnet when you need to meet dear need of a helper. The simple reason is, you need someone to accept you rather than do otherwise.

Brethren, you need prayer of recognition, prayer of acceptance, prayer of likeness and sincere affection from helpers. To meet and be accepted by helpers is a turning point in life. It speaks victory, open doors, love, opportunities, success, breakthrough and favour.

You need favour to excel in life. You need favour before your helpers. With favour on your side, hatred disappears; miracles takeover situations, while door of success you think is against you suddenly open. With favour on your side, mountains of problems shall bow, obstacles and barriers shall disappear, valley shall level, while impossibility shall become possible. At the end, you shall sing a new song, and dance a new dance. It shall be a song of victory and dance of victory. Amen.

With prayer and favour on your side, you will be accepted where you were once rejected. Those that refuse to see your face in time past shall welcome you with laughter and joy. Security men at the gate shall not send you back any more. Personnel Assistant to the Managing Director or General Manager, you long to win his heart shall have cause to influence your seeing his boss. That co-business partner of the company you need help from, in other to secure job or contract shall have cause to listen and help you, in the name of Jesus. Let me tell you, the fear of what Madam or Master (Oga) would say is over. Madam in charge of your case shall convince her spouse and support you, in your absence and in your face to uplift you. What you have been looking for sometimes ago shall be given to you. Amen. Also, that man will have cause to table your matter before his wife for good. By this, you shall be favoured. Amen.

Problem of promise and fail you experience in the past shall suddenly disappear. All causes that lead to promise and fail shall not be your portion. Those who promise you for help shall help you out. You shall experience fulfillment and manifestation of promises of helpers. For detail read my book titled **PRAYER TO LOCATE HELPERS AND HELPERS TO LOCATE YOU.**

Favour is paramount in one's life. I pray, you shall experience favour before men and God. The Lord Almighty shall not turn His face elsewhere when you are to be favoured. Amen. You need favour and you shall be favoured in the name of Jesus.

As you seek help that will accelerate your destiny, it is necessary to pray accelerated breakthrough prayers for great harvests. Pray prayers to stop storms that may hold you captive. Pray prayer that will stop every contrary wind blowing against you.

The time to pray is now, don't allow fear or inferiority complex to arrest you. Be bold like lion, dress up and meet your helper. As you do, you shall meet your helper in good mood that arouse spirit of acceptance and love.

I prayerfully support your steps in the manner of Psalms 20:1-5.

1. May the LORD answer you when you are in distress, may the name of the God of Jacob protect you.
2. May he send you help from the sanctuary and grant you support from Zion
3. May he remember all your sacrifices and accept your burnt offering.
4. May he give you the desire of your heart and make all your plans succeed
5. We will shout for joy when you are victorious and will lift up our banners in the name of our God

May the LORD grant your request, Amen.

The eye of the Lord is upon you. He shall not look elsewhere when you meet your helper. He shall be with you and make you smile at last. The Lord shall release your feet from the snare assigned to hold you captive. Amen.

PRAYER FOR SUCCESS AND MANIFESTATION

The era of walk-over is gone; you need to fight hard to get what you want. This is a period when trust is as scarce as flow of water in the desert. But it is written; whoever trusts upon the Lord shall not fail but prosper.

Our focal point is how to see and get right helper, how such helper can fall in love with us or locate us, and how the relationship can be fruitful. Such relationship can come to play only if our human ingredient is correlated to our needs. One thing is to seek for help, another is for helper to be convinced you need it, keep to terms and be responsible. To every help, responsibility matter a lot.

What most helpers need from you is sincerity and accountability. They don't usually scramble for cash reward but trust and continuity. They love what I call 'contract of good conscience'. For example, if Mr. Zed helps Mr. Bee, Mr. Zed expects Mr. Bee to live upright and not destroy Zed's personality in the course of event.

It is no news to hear of people put to shame for standing as guarantor. Most times, table turn against them when people they guarantee dupe the company they work for and run away. The guarantor is eventually arrested, prosecuted and made to pay back what the thief stole. The help he rendered now work against him. This is the more reason; people don't stand as guarantor any more.

By and large, pray for helpers to arise and help you. You need able hands for things to move forward in life. Love and likeness of helpers for your sake is paramount. Pray that when helpers eventually come your way, may you reap bountifully with laughter of joy. Amen.

One thing is to see helper, another is to discuss and win his heart. Even when his heart is won, things may not work out as planned, despite his

readiness to help. Wicked power may appear on the scene hence, unexpected will happen. Hopes can be truncated in a number of ways as enumerated below.

1. Your personality can be destroyed before helpers by character assassins.
2. You can be attacked in the spirit, if success is foreseen.
3. Helpers may forget your issue; thereby replace you with another person who may not be as good as you.
4. You may backslide before manifestation of promise. All efforts you put in to the struggle suddenly become a waste.
5. Helper may die before final answer is given.
6. Enemies may gang up to frustrate you.
7. Curse on your parental home may work against you.
8. Evil plantation in your body may resurrect against you.
9. You may be attacked by whirlwind of darkness.
10. You may be attacked with sex in the dream.

This is often used at injury hour, when success is close by. To overcome this, buy my book titled **PRAYER AGAINST SEX IN THE DREAM**.

It is time we go into prayer. This prayer is arranged in chronological order, starting with opening prayer, followed by prayers you need to pray for self, then prayer for helpers, so that they may remember and locate you for good; and lastly, prayer for manifestation of what you pray so far.

One thing you should know is this, prayer for help doesn't end after you get one. Let your prayer be a continuous one. It doesn't end when you get help that troubled your mind so much. When you secure one pray for more. When you pray for more, multiple doors of opportunities shall open.

I want you to be positively embarrassed with multiple helps, that is why I advise you pray continuously with this book and my two allied books to this one you are holding;

(A) Prayer to locate helpers, and helpers to locate you.

(B) Anointing for Eleventh hour help.

Let's pray the following prayer points below, one after the other and claim multiple helps that shower success and breakthroughs into a life. God bless you. Amen.

PRAYER OF PROPHECY

The Psalmist says, *“I love the LORD, for he heard my voice, he heard my cry for mercy. Because he turned his ear to me. I will call on him as long as I live” Psalm 116:1-2.*

You prophesy because you know God will hear your voice and cry for mercy. Prophecy is a word of victory even before, it is achieved. Prophecy feeds the soul with strength and surprises. It opens doors for signs and wonders before it happens.

With prophecy, anguish is expelled from soul. Prophecy is a healing tonic. When it is spoken into a life, positive expectation rises. When the paralytic at the beautiful gate look unto Peter for alms, he was healed of his ailment with word of prophecy.

Prophecy is a powerful tool. It is not an ordinary statement. It links you to heaven, almost immediately it is said. It has magnetic spiritual power that draws attention from heavenly seat. This is one of the reasons; one should build hope on what he prophesies.

Prophecy comes with spiritual protection. Once spoken concerning a situation, reactions takes place. It weakens and destroys works of darkness. It tears into pieces, garment of shame, and set ablaze rags of poverty in a life. With prophecy, you gather scattered blessings. Those who turned faces elsewhere before, suddenly turn back to favour you. Doors of helps open with ease.

Prophecies straighten crooked paths and clear every form of barriers that cause delay. It makes your coming in and going out on daily basis easy. Prophecy oils the wheel of a journey to promise land.

Prophecy goes a long way to bring happiness into a life. With prophecy locked doors are opened, chains of darkness are broken, yokes are broken, visions are revealed, happiness replaces sorrows and tears.

Powers of prophecy draw helpers close to a person. When you prophesy goodness and mercy sources of helps shall come forth. It is when helpers are protected from evils; they build spirit to help. It is therefore necessary, to prophesy goodness into the lives of helpers as well.

If a helper promises you financial help and is unfortunately attacked, he may not keep to his promise. If his house went on flames, you may not get help, as hope is gone out of him as well. As a matter of fact, at this point in time, he needs help more than you. If he is bereaved of his wife or children, you may be turned back. This is the reason you should prophesy and speak living words into the lives of your helpers. I pray your helpers shall not be in want on the day you need help. Amen.

It is time you prophesy and speak good prophecies into your life and that of your helpers, so that great doors of helps may open.

POWER OF CONFESSIONS

Confession plays vital role in the life of people. What you confess matters a lot. When the disciples of Jesus were in the boat with him, the Bible says ***“And suddenly a great tempest arose on the sea so that the boat was covered with the waves. But He was asleep. Then His disciples came to Him, and awoke Him, saying, “Lord, save us! We are perishing!”***

Mathew 8:24-25

The boat was still afloat and the disciples were already confessing they were perishing. That is what some of us has been doing-confessing defeat instead of victory. Every time you complain or cry, you are giving the devil comfort, you are not honouring God. If you just have to say something, say, “Praise the Lord glory be to God, hallelujah” And if your mouth wants to say anything else, slap yourself!

Your vocabulary either makes you a friend or an enemy of yourself. Use of the words you choose in your everyday language will either generate negative sensations or positive vibrations. It is therefore good to confess good things into your life, rather than confess negatives.

Positive affirmations produce positive rhythms while negative affirmations constitute silent killer in the spirit. You are literally giving in and surrendering your will to enemies. There is nothing more destructive than this.

How will you feel, if someone rush at you and say “I am finished, I have lost everything, I have no hope anywhere on earth”. The best you may do is to pity him or her, or hear his or her story and quit. No one wants to associate with a loser. This is no better way to get helpers arrested. It may stare him off.

Learn to be positive and speak positive before your helpers. Let your positives be genuine. Don't use it as platform to dupe. The simple fact is, positive affirmations abort negative emotion before it is born. The only sensitive way to fight weeds is to plant thick, healthy grass. The only successful way to destroy negative emotion is to verbalize positive

statement. When you put a negative image on the film of subconscious mind, expect a negative picture to develop. Positive affirmations produce positive expectations. If you see negative coming, turn it to positive. Turn every mountain to a gold mine.

Confess positive into your life before you step out of home, supporting it with the WORD. A strong confession couple with corresponding action of word brings God on the scene. Confession is affirming something that we believe, testifying of something that we know. It is witnessing for a truth that we have embraced. Confession holds a very large place in our life. For this reason, you must make your confession and stand by it.

Confession does several things to the believer: it locates him. It fixes the landmarks of life. Our words are the coins in the kingdom of faith. It is what we confess with our lips that really dominate our inner being. Our lip is like a means of transportation of God's deliverance from heaven to man's need here on earth. By our confessions we sow words that will soon manifest. Our confession is based upon the living WORD.

Cultivate the habit of thinking big, and then learn the use of words that will react upon your spirit and make you a conqueror. Learn to use words of God so they can work for you and be your servant. Confessions can make you rich or be a pauper, wanted or despised, a victor or a captive. Your words can be filled with faith that will stir heaven and make man want you.

You are warned of what you confess. We are snared by our confession, or we are set free with the words of our confession. While your confession of failure keeps you in the realm of failure, your confession of God's ability in your case, puts you over. You are what you confess with your lips, and what you believe. With your confession you can locate helpers, and with your confession you may not come across one. It depends if your confession is positive or negative.

By your confession, you are either save or lost. By your confession, you either accumulate plenty or remain in the desert. By your confession you are either weak or strong. The bottom line is, your confession lines you up, gives you your place and establish your position.

Our words either imprison us, or set us free. It is not only our thought; it is our words, our conversation that builds power or weakness into us. When you confess lack of faith you are filled with doubts. When you

confess fear you become more fearful. When you confess lack you build palace of lack in your life. You talk failure and failure held you in bondage. When the storms come, the testing came, and the adversary is taking advantage. If you give up, you shall lose your testimony. Alas, hold fast to your confession in the face of apparent defeat.

FIRE CONFESSIONS OF SUCCESS

You shall confess below confessions with full attention, faith and claims of manifestation. Let your spirit, soul and body be married to what you say as you pray. You can add to the prayers said after each confession as Holy Spirit directs.

The confessions shall work like magic because it is of the Lord. The words are WORDS of God, picked from the Holy Bible, the undisputed Holy Book.

Now make your confessions and pray along.

Hebrew 4:14“...*Let us hold fast our confession*”.

Prayer

I hold fast to my confession this day. It is confession of greatness, of victory, of deliverance, favour, success, joy, open doors, mercy, glory, signs and wonders etc. Whatever the situation, my confession shall be permanent. It shall not be wrestled from me.

I will not yield to fear or listen to evil voice. I stand by my confession knowing that God cannot fail me.

Thank you O LORD, for answering my petition, my confession, and my prayers.

To you be everlasting glory. Amen.

LAST REMINDER

Now that you confess as above don't doubt the WORD. Be steadfast with your confession. There is grave danger of a dual confession. You confess His faithfulness, the absolute faithfulness of His word, yet at the same time you confess failure.

Don't confess lack or ill-health any more. Hold fast to your confession. Be bold like a lion. Let doubt far from you. Possess the dynamic deliverance received this day. Possess Vine-life wherever you go.

It is not only your thinking; it is your words, your conversation that builds power or weakness into you. Your words are the coins in the Kingdom of faith. Your words can snare you and hold you captive, or set you free and become powerful in the lives of others.

This is the reason you must hold fast to your confession. Conquer the devil with words. I say again, don't doubt your confession.

May God bless you. Amen.
